

FATHERS AND MOTHERS

Here is a school proposition that will appeal to you. Read every line of it, then ask your son, your daughter, or a friend to begin work at once. Help them in their undertaking and encourage them to win one of these scholarships.

BOYS AND GIRLS

HERE IS MY PROPOSITION: I am going to give the Boys and Girls of this County TEN FREE Scholarships in CUSTER COLLEGE. The Scholarships will be absolutely free to you. They will not cost you one cent in cash. You have to sign no notes, contracts, or other obligations. You merely do a little pleasant work for me and I do the rest. I am going to increase my subscription list and get my old subscribers paid up and I want you to help me. You can easily get new subscriptions and renewals in your neighborhood at the REDUCED RATE OF FIFTY CENTS PER YEAR if you will say to them that you are getting subscriptions for the purpose of paying your way through school. Moreover, you can call the attention of your friends to this announcement and they will work for you and help you get subscriptions.

How The Contest Will Be Conducted.

The contest will begin at 8:00 a. m. Monday, December 7th, and close at 6:00 p. m. Monday, February 6th. This contest will be conducted absolutely fair to all who enter it. No member of THE REPUBLICAN office force will be allowed to secure one of the scholarships. This is an exceptional opportunity for you and you should begin work at once.

THE COUNT.

FOR EACH FIFTY CENTS That you or your friends secure on subscriptions I give you 1000 votes. For example: If he pays you or sends in for you FIFTY CENTS you get 1000 votes; if it is a dollar you get 2000 votes; \$1.50 gets you 3000; \$2.00 gives you 4000; \$2.50 will entitle to 5000; \$3.00 will credit you with 6000, etc. It is 1000 votes per year for as many years as you get the subscriber to pay up at FIFTY CENTS PER YEAR.
