GADD ELECTED COUNTY ATTORNEY

CUSHMAN, GILMORE, MORRIS, AND GRINT RE-ELECTED

ATTORNEVSHIP RACE CLOSES.

The Fusionists Retain Control of the County Board of Supervisors Gadd's Majority About

The county ticket came out about as the Republicans expected. Gadd pulled through for County Attorney by a narrow margin of about twenty votes. J. B. Gilmore and L. Cushman were the two Republicans reelected to the County Board of Supervisors. Ben Morris' election in the 7th district has seemed to be certain for some time, and the chances were in favor of J. E. Grint in the first district. This allows the fusionist to retain control of the County Board for another year.

The contest between Gadd and Beal for the county attorneyship was very close and interesting The result was in doubt from the start until the last township returns were in. Gadd was ahead part of the time and Beal took the lead part of the time. Gadd's total vote was 2876

Cushman for supervisor won easily with about fifty voten to the good in this township which constitutes his district. He had had several years experience as a supervisor and was an expert on the road question. He has made an able and honest supervisor and the people recognized this and refused to vote for a change.

John McQuire of Arnold who filedat the paimary and then withdrew and went on the ticket by petition made a good race but came out 20 behind. Ben Morris was elected by an overwhelming majority in district No. 7. He even carried his opponents home ner carried by 125 votes but that Grint's big vote in the other

TOUCHDOWN HE MADE

-From Philadelphia Press,

FOR BRYAN AND SHELDON

CANDIDATES FOR PRESIDENT AND GOVERNOR CARRY THE COUNTY.

The Democratic Electors Secured a Majority of 110 and Gov. Sheldon Carries County by 5. Total

Vote About 5600.

The official returns that the Democratic National trict, did not get his petition ticket carried the county by about 110 majority and Sheldon carried it by 5 votes.

This vote came as somewhat of a surprise to even the Democrats themselves. It was expected that the Democrats would make some gains over the usual Demo cratic vote owing to the fact taat Bryan is a Nebraska man township by a good vote. J. E. and that two Custer County peo-Grint in the first district carried ple-Clarence Mackey of Ansley all but Westerville township and W. B. Eastham of Broken which his opponent W. D. Gard- Bow-were on the Democratic state ticket. Mr. Mackey's work was not sufficient to over come in the State Legislature had given him a strong pull with the people of Custer county and Mr. Eastham is one of the oldest Democrats in the county and a man who has put in a good many hard licks for the Democratic party. The presence of these two men on the Democratic ticket strengthened it. Moreover Bryan was especially anxious to carry Nebraska and a great amount of time, energy, and money was spent in order to make the best possible showing.

Bryan's vote in this county was slightly larger than that of Shallenberger. The Bryan electors secured 2903 votes and the Taft electors secured 2793 vetes. Sheldon got 2831 votes and Shallenberger lost the county with 2826 votes. Shallenberger's vote in the state seems to be slightly larger than that o Bryan through Bryan's vote was larger in this county.

Taft and Sheldon carried Loup, Custer No. 2, Douglas Grove, Wood River, Westerville, Algernon, Lillian No. 2, Cliff. Berwyn occupy the pulpit in the Baptist and Elim townships.

carried Custer No. 1, Victoria, cordially invited to attend these Sargent, Kilfoil, Delight, Elk services.

Creek, West Union No. 1, Hayes, and Comstock townships.

Bryan and Sheldon carried Garfield, Triumph, Broken Bow North Side, and Broken Bow S uth Side.

and Sheldon and Shallenberger MACKEY AND EASTMAN, TOO tied on the governorship.

> Clarence Mackey of Ansley, the fusion candidate for State Treasurer proved to be more popular in his home county than W. B. Eastham of this city who was the fusion candidate for Commissioner of Public Lands and Buildings. Mackey secured a majority of about 450 over his opponent, Obrian. Eastham's vote placed him about 150 in the lead over Cowles. Mackey secured 234 votes in Ansley township while his opponent secured but 80. Eastham secur d 444 in Broken Bow township and his opponent came out with 329.

C. H. Harbough of Broken Bow the Socialist candidate for Governor, secured about 45 votes in this county.

Aside from the local candidates, the county gave the Republican state ticket a small majority. This would indicate hat the county is still Republian but that the extra ordinary fort of the Democrats carried it for Bryan, Mackey and Eastham.

Gambling in Comstock.

Some young men in Comstock were caught gambling a short time ago and the evidence neccessary to convict them was secured. The matter was then taken up with the County Judge and County Attorney and they expressed a willingness to do whatever the people of Comstock wanted done. After taking the question of prosecuting them under advisement Attorney Darnell and the people of Comstock decided to give the boys another chance for the life. County Attorney Gutterson has notified them that the gambling must cease and that they will be prosecuted if they are found gambling again.

KINKAID WINS BY LARGE VOTE

THE FUSION CANDIDATES FOR STATE LEGISLATURE ELECTED

REPRESENTATIVES WIN EASILY

Returns From Thirteen Counties Give Kinkaid About 1000 Majority Kinsey Carries Custer and Loup But Looses Valley

Congressman Kinkaid carried this county by a majority of 404 according to the unofficial returns. Kinkaid secured 3036 votes and Judge Westover tallied up but 2632. He carried his home county, Holt, by about 200. The early reports indicated that be would be defeated by a small ma jority but later returns are more favorable to him. Out of thirteen counties which poll the heaviest vote he has a majority of about 1900. In these thirteen counties are those which would be the most unfavorable to him.

George Kinsey of Arcadia, the First M. E. Church, yesterday Republican candidate for State afternoon. "He is getting at Senator, polled 2763 votes in this county. This gives him a mafor the ministers to do. He is jority of 25 in this county. He finding out just how the boys carried Loup county by 40 majorlive, what temptations are ity and J. A. Ollis carried Valley thrown in their way, who it is County by 258. The unofficial returns elect Ollis by about 200.

The returns from Logan County have not been secured but W. J. Taylor of Merna and E. Miller of Sargent, the fusion candidates for the state legislature secured such a large majority in this county that even if the Republican candidates secured every vote in the small county of Logan the fusion candidates would still be elected. In this county Amsberry of Mason City secured 2568 votes; A. L. Mathews of Callaway got 2175; W. J. Taylor of Morna came out of the race with 3007; and E. Miller of Sargent landed the largest vote by getting 3024. Each candidate with the exception of Amsberry carried his home precinct by a large majority. Amsberry was defeated in Algernon township by both of the fusion candidates. LATER.-Kinkaid says the returns from all counties elect him by 1500 to 2500 majority.

The dinner served at the Temple Theatre on election day by Baptist ladies was fairly successful. The receipts were not quite as large as last year but a neat sum was made.

Rev. John D. Brady of the Baptist church preached his farewell sermon last Sunday. Rev. Brady will preach at Merna and Bethel Union during the coming
