DR. CALDWELL'S CURE FOR CANCER

Authorative Instances of the Treatment's
Curative Results.

Treatment Produces Almost Immediately a Complete
Relief From Pain

Cancer as a rule has no respect for person, climate, altitude for position. It is found as often in the large cities of the United States as it is throughout the country. Dr. Caldwell, affording herself of the opportunity by her frequent visits professionally to the different parts of the United States, has had access to a proportionate percentage larger than that of any known physician. Her plan of treatment, beginning some years ago, has extended to now almost all parts of the United States. Doctors in general are willing to admit of her ability and while there are a few in particular who do not like the methods pursued by Dr. Caldwell still they cannot help from admitting that she is a wonderful element in the profession. The one particular complaint laid at the door of Dr. Caldwell's method is that of advertising. The old time school of medical ethics an unwritten law prohibits advertising. Not that the plan of advertising detracts or interferes with any physician's professional ability but is not considered by doctors as a whole as a fair and square deal. In fact in the doctor business, the code of medical ethics and the adhering to that plan of ethics is what we might term a trust, a law or an understanding which binds physicians socially to carry out a certain plan of laws formulated and known to themselves only. Dr. Caldwell has always believed in letting the good things be known.

Diseases of women, which require more ability and skill in their treatment than any other class of diseases are treated with the greatest success by methods original with Dr. Caldwell and 90 per cent of the usual operations are avoided. Operations, as is well known, even the slightest of them, are attended with danger, and when a system of treatment is so effected as to render a cure possible without operating it is certainly one to be considered. Dr. Caldwell's system of treatment means natural medication, it means no poisons given, it means no diseases produced or injury done, it means a most successful system of medicine known all as a result of her experience in her large continued practice. Years of the largest and most successful practice in the northwest is evidence of the superiority of her ability and integrity. Dr. Caldwell furnishes her own medicine. Her laboratory is known to contain the largest assortment of pure medicines of any laboratory to be found throughout the United States. She is directly interested in each patient, therefore when she treats them and the medicines are prepared directly under her supervision she knows that the patients are getting just what she intended them to have.

We publish below some recent cures:

Mrs. John Wibbles, Wolbach, Nebr., cured female, nervous and kidney disease. Had been given up by a number of doctors and told that she must be operated on. Today is sound and well.

Mrs. Frank Henderson, of Spaulding Nebr., cured of heart disease, female, liver and kidney disease. Had suffered for many years.

Mrs. S. E. Hanley, Kearney, Nebr., cured of a complication of many diseases. Had been to many doctors previously.

Frank Colton, Oakdale, Nebr., says:

"I was an invalid for eleven years from stomach and heart disease. I had been given up as incurable by five doctors, and concluded to give Dr. Caldwell a trial. After three months treatment I was almost well; I continued it two more months and from that day to this which is seven years, I have been a well man."

Mable Swanson, Greeley Center, Nebr., cured of long standing nervous disease. Dr. Caldwell will make her next visit.

MCSHERRY—MYERS

One of the prettiest home weddings that has been in Broken Bow for some time, took place at the home of Mrs. S. P. Kinkaid, on Christmas evening, when her grand-daughter, Fernie McSherry was united in marriage to Mr. Earl Myers of Benedict Nebraska.

As the wedding march was being played by her cousin Miss Orah Squires the bridal party entered the parlor and stood beneath an arch of holly and mistletoe. The bride was simply groomed in a white messaline silk trimmed with Parisian lace, and her sister Miss Ruth wore a light blue suesine. A very impressive ring ceremony was performed by Rev. Thompson, after which an elegant wedding supper was served to about twenty guests. The table was beautifully decorated with cut-flowers, holly and mistletoe. Over the table hung a large Christmas bell, from which was suspended a bronze cupid. The ring, thimble and penny were concealed in the bride's cake and were received by Mrs. Hattie Talbot, Orah Squires and Mrs. H. H. Squires respectively.

The bride was the recipient of many useful and costly presents, among which was a handsome shamrock leaf brooch, set with pearls, the gift of the groom.

The bride is a daughter of the late M. M. McSherry who practiced law for many years, in this city, and after finishing her college work at York, she has been one of Custer County's successful teachers.

The groom is the youngest son of Benjamin Myers of Benedict, Nebraska, and has finished a course at the State Agricultural College at Lincoln.

Mr. and Mrs. Earl Myers left Broken Bow, Christmas morning for York, where a Christmas dinner was given in their honor at the home of Mr. Myers' aunt. They will be at home to their many friends at Benedict, Nebr., after January 1st. Congratulations follow them.

RECTOR—RUSSOM.

Last Thursday evening, December 24, at seven o'clock, at the home of Rev. and Mrs. J. R. Teagarden, Miss Glenn Rector, teacher of the Tappin Valley school, was married to Mr. John Russom, the second son of Mr. and Mrs. G. R. Russom. Rev. Teagarden performed the ceremony. The bride was attended by her sister Miss Martha Rector, and the groom by his brother Mr. Fred Russom.

After the ceremony Mr. and Mrs. Russom, were taken to the home of the bride's parents, Mr. and Mrs. and Mrs. C. E. Rector in Custer Center, in an automobile where an elaborate dinner was served. Covers were laid for twenty-four. The table decoration was a small Christmas tree full of glittering ornaments and tinsel, and lighted with many tiny candles. The house was decorated with branches, and wreaths of holly. The bride and groom are well and favorably known in this community. Mrs. Russom will continue her school work to the end of the year. For the present they are at home with the groom's parents Mr. and Mrs. G. R. Russom in Custer Center.

WEDDING BELLS RING OUT.

A very unusual thing occurred in the office of the County Judge one day last week when marriage licenses were in such demand the applicants were obliged to fall in line and await their turns.

SIMONSON—KOLBO.

The marriage of Miss Lourine Simonson and Mr. Paul G. Kolbo of Lodi was solemnized at eight o'clock Thursday evening December 24 at the home of the bride's parents Mr. and Mrs. J. M. Simonson. Rev. Thompson of the Methodist church performed the ceremony. The bride was attired in white. Miss Carrie Simonson sister of the bride was maid of honor. The groom was attended by his brother, Mr. Oscar Kolbo. After the ceremony a fine wedding supper was served. Mr. and Mrs. Kolbo left Saturday morning for Lodi, their future home.

DINNER PARTY.

Mr. and Mrs. William Gilling's entertained at dinner at one o'clock on Christmas day in honor of their son John. The curtains were drawn, and the dining room was artistically lighted. A Christmas tree of fair size stood in the center of the table, and was decorated with glittering ornaments and lighted candles. Cornucopias filled with candies were on the tree for each of the

ladies, and cigars for the gentlemen. The afternoon was spent playing ball in which Miss Irene Xanders showed wonderful proficiency. Music and dancing added to the enjoyment of the day. The guests were Mr. and Mrs. Alpha Morgan, Mr. and Mrs. Hiram Palmer—Misses Ruth Jones, Irene Xanders, Mary Morgan and Edna Russom. Messers Kenneth Rublee, and William McClintok of Sheridan Wyo.

DANCING PARTY.

The Morgan-Molyneux and Purcell dance was given at the Temple Theatre Tuesday evening, and was largely attended. About one hundred invitations were issued to young people, including the younger married set, and numerous out of town guests. The affair was in honor of Miss Mary Morgan, Miss Hazel Molyneux, Mr. Mark Cox of Edgemont S. D. and Mr. Earl Molyneux.

CHRISTMAS DINNER.

Mr. and Mrs. I. A. Coleman entertained at a two o'clock dinner Xmas day. Covers were laid for fourteen.

The guests were so well pleased with their entertainment, that they remained for an oyster supper late in the evening.

FIRE IN WILSON'S RESIDENCE

Started in The Corner Of Store Room And Does about \$150.00 Damage.

Fire started in the residence of J. J. Wilson seven miles west of this city about 11 p. m. Friday. Miss Langston was about to retire when she heard a cracking noise in the store room. Investigation showed that a fire was making considerable headway in the store room and along the side of the house. She woke up all the rest of the family and their fire company began to get into action. The wind blowing made the fighting difficult but with 100 feet of hose attached to a compressed air water system, they soon had the fire under control. The exact origin of the fire is unknown but it is thought that a mouse may have nipped the head of a match and started it. The damage is estimated at about \$150.00 and is entirely covered by insurance.

Ma's New Husband.

That merry, romping, musical farce, "Ma's New Husband" will appear at the opera house Friday January 8th. From all accounts it is one of the big laugh-makers of the season, and the management has been obliged to promise return dates in nearly every city that it has played in order to satisfy the popular demand. The company has been receiving glowing press notices for the clever, rapid fire work and for the singing and comedy merit of the individual members.

Much of the success of "Ma's New Husband" is said to be due to its plot and to the dexterous handling of a maze of side-splitting situations. The scene of all the mirth and melody is laid in the Chicago home of a rich old-sport bachelor, Culpepper. His cousin, Maria Longfellow, has recently lost her husband. Culpepper has loved her in the old days and wishes her to come on from New York and take charge of his home. His letter arrives in the nick of time to save Maria from visions of starvation, as she has just been eaten out of house and home and furniture by a lot of impecunious actors. One of the actors, Herbert Short by name, has captured her heart. They arrange to marry just as soon as there is money in sight to tide over the honeymoon. Maria brings Short along to Chicago and as Culpepper has never seen her little boy, Willie a lad of fourteen, it is agreed that Short will impersonate that youthful darling. It is needless to state that Short is the center of mirth and laughter. His escapade with Dorothy, the housemaid with Mrs. Dickles, a guest with Madame Halliday, a vocal teacher, with a venerable tutor and old humbug, Mr. Hooker and indeed with every character in the play afford little time for sanity or straight-faced demeanor. The musical numbers include all the new and popular songs, solos, duets, quartets, and choruses, together with pleasing dancing numbers.

COMING, to the Opera house Jan. 8th. Ma's New Husband.

WANTS ODD FELLOWS HOME

Committee Appointed To Take Up The Matter With The Commercial Club.

At the regular meeting of the Odd Fellows, Monday night a committee consisting of Messers C. H. Holcomb and Dr. Bass was appointed to take up with the commercial club the question of securing the location of the Odd Fellows home in Broken Bow. To secure the home they must have 160 acres of good land, which will raise small fruit and all kinds of farm products. They expect the products of the farm to go a long way toward paying the expenses of running the home. The home is to be located by a committee appointed by the grand lodge of the State of Nebraska. The grand lodge committee will make a tour of the State in March or April and select a location. At the present time the Odd Fellows home in Missouri is taking care of about one hundred boys and girls and about fifty Odd Fellows and their wives. Nebraska is caring for a large number of children in this institution.

COMING, to the Opera house Jan. 8th. Ma's New Husband.

John S. McGraw is prepared to make first mortgage loans on farm and city property. 30-tf.

The Misses Mame and Tookins Bobbiets came up from the South Loup to attend the Morgan, Molyneux, and Purcell dance.
