Mr. and Mrs. G. J. Martin were very pleasantly surprised on Dec. 30th. '08. When about fifty neighbors and friends came driving in about eleven a. m. with baskets fairly groaning under the weight of good and appetizing eatables. Needless to say that a very enjoyable day was spent and the friends wanting to show Mr. and Mrs. Martin the esteem

which they are held, presented them with a lovely silver berry spoon and cream ladle, this being another surprise to them, but very much appreciated by Mr. Martin's. All returned to their homes in the evening thinking about what a pleasant day had just passed, and that the occasion would remain in their memories for years to come. We regret very much to think of the Martin's departing from our midst in the near future, but wish them a prosperous life in their new home, where ever they may happen to locate.
