Artist's Skill

Counts in Dress

Ready made clothes are not made with the idea of becoming any particular individual and do not conform to his tastes and characteristics.

When we make your suit for you we STUDY YOUR PECULIARITIES and YOUR TASTE. No two men are BUILT JUST ALIKE and no two men can wear the same suit and have it give their dress a stylish and artistic effect. If you want YOUR CLOTHES to be BECOMING and APPEAR DRESSY you must have a trained artist to MAKE THEM ESPECIALLY FOR YOU.

Come in and see our complete line of spring and summer goods and let us talk it over with you.

RED LETTER DAY

IN REAL ESTATE

MARCH 1st, 1909 was a red letter day for land business at our office. The Total transfers of real estate, March 1, 09 at the Recorders office was \$101,000, over half of which to-wit \$65,000, was in our office.

There is considerable gratification to us in this fact, for the reason that there has been on the part of quite a few wise acres more or less talk on the streets that Cadwell could not make good on some of his purchases. It was very true that our deals for March 1st, 1909, totaled a much larger sum than any we had ever tackled before.

But Cadwell knew where he was at, while the would be adviser and talker for the general public did not know as usual what he was talking about.

We have two deals for clients yet to close pending examination of abstracts, and then we closed one deal Saturday for \$9000.00 and we can announce the sale of N 2, SW 4, section 30-20-19, the 80 we advertised two weeks ago to W. H. Predmore, for Mr. Predmore does not back out when he gives his word.

P. S.—Also, we report sale of 10 acres with house in section 28-17-20 to Alfred M. Cook for \$3500.00.

TO CHANGE THE COLOR

of your house once in a while is a good idea. It makes it look new, besides it prevents decay. Only the best

PAINTS AND OILS

should be used. Some Paints are worthless, neither preserving or protecting. They are made of poor Oils and poor White Lead. We are not offering that kind. The Paints we have are worthy of the fullest confidence. We guarantee our Paints not to peel, crack, or wear off until they have done their full duty.
