On last Sunday the people of this vicinity were astonished by

a woman of about 55 years old wandering around, apparently not knowing where she was going. In a short time people were made wise by a man trying to find her, and explaining that the lady had become unbalanced in her mental powers and left her home the previous evening. Mr. Peden in coming from town met the lady, and when talking to her in a kind manner, it seemed to bring her back to her senses, and then she realized where she was. He took her to town. Her home is in Rose Valley, and it had been twelve years since she had been troubled in this way. It was fortunate for all that she was found as quickly as she was.

**Not a drop of Alcohol**

Doctors prescribe very little, if any, alcohol these days. They prefer strong tonics and alteratives. This is all in keeping with modern medical science. It explains why Ayer's Sarsaparilla is now made entirely free from alcohol. Ask your doctor. Follow his advice.

**Ayer's**

Unless there is daily action of the bowels, poisonous products are absorbed, causing headache, biliousness, nausea, dyspepsia. We wish you would ask your doctor about correcting your constipation by taking laxative doses of Ayer's Pills. Made by the J. C. Ayer Co., Lowell, Mass.
