

A STARTLING STATEMENT

NEW YORK MEDICAL AUTHORITIES CLAIM DYSPEPSIA CAUSES CONSUMPTION.

The post mortem statistics of the big New York hospitals show that some cases of consumption are due to unchecked dyspepsia especially when the victim was predisposed to tuberculosis.

Dyspepsia wears out the body and brain, the weakened, irritable stomach is unable to digest food, the body does not receive the required nourishment, constipation ensues and the victim becomes thin, weak and haggard. As a result the body becomes a fertile field for the germs of disease to lodge and flourish.

Therefore, the person who permits dyspepsia to progress unhindered is guilty of contributing toward the development of one of the most insidious and fatal diseases known to mankind.

Dyspepsia is curable if properly treated. The Ed. McComas Drug Co. sell a remedy which they positively guarantee will cure indigestion or dyspepsia or they will pay for all the medicine used during the trial. This remedy is an absolutely new medical discovery and has been named Rexall Dyspepsia Tablets.

Certainly no offer could be more fair, and the offer of the Ed. McComas Drug Co. is proof positive that Rexall Dyspepsia Tablets are a dependable and infallible remedy. Inasmuch as the medicine will cost you nothing if it does not benefit you we urge you who are suffering with indigestion or dyspepsia to try this remedy. A twenty-five cent box of Rexall Dyspepsia Tablets contains enough medicine for fifteen days treatment. Remember Rexall Dyspepsia Tablets are only sold by

NOTICE TO NON RESIDENT DEPENDANT

In the District Court of Custer County, Nebraska.

Isaac A. Benaux Plaintiff vs Wm. H. Ford, Henry Paul, et al., Defendants.

The defendant, Henry Paul will take notice that on the 14th day of April, 1909, Wm. H. Ford, one of the defendants in the above entitled action filed his answer and Cross-petition in said action in the District Court of Custer County, Nebraska, the object and prayer of which said Cross-petition so filed by the said defendant, Wm. H. Ford against the said defendant, Henry Paul, are to set aside, vacate and cancel a certain mortgage made by the plaintiff, Isaac A. Benaux, and his wife to the said defendant, Henry Paul on the first day of December, 1906 upon the North-west quarter of Section 15, Township 20, Range 29 in Custer County, Nebraska, which mortgage was given to secure the payment of \$1200.00, the same being due and payable on the first day of December, 1911 and drawing interest at the rate of 6% per cent per annum until paid and which mortgage is recorded in Book 73 at page 468 of the records of Custer County, Nebraska.

Said Cross-petition alleges that at the time said mortgage was made that the defendant, Wm. H. Ford was entitled to said land by virtue of a contract which he had entered into in the early part of 1905 with the then owner of the same, Edward L. Ford, and that under and by virtue of said contract of purchase, the said Wm. H. Ford, at the time of the execution of the said mortgage was in open, notorious, absolute and exclusive possession of said land of which possession the defendant Henry Paul had notice and was bound to take notice. That said Cross-petition further alleges that the said plaintiff, Isaac A. Benaux had no right or authority to execute said mortgage or to encumber said land for the reason that he well knew that the said defendant, Wm. H. Ford, was entitled to the same and was in possession of the same.

You, the said defendant, Henry Paul, are required to answer said Petition on or before Monday, the 24th day of May 1909.

Dated this 14th day of April 1909.
