

The Best Car On The Market

The Jackson Car

The Jackson is the best all around car on the market to-day. The car is good in all of its parts. It is a leader in simplicity, in power and in durability. It is so simple of operation that anyone can run it. And then, too, the price is reasonable.

The Jackson has made its reputation on the fact that no hill is too steep and no sand is too deep for it. This is not simply an idle claim but it is an actual fact which will be proved to your satisfaction if you will give us an opportunity to demonstrate the car to you.

G. L. Turner Lbr Co.

Notice.
The Custer County Agricultural Society, at a meeting of the board of directors held the 20th, decided to offer a special premium to be given to boys between the ages of 14 and 20 years, for the best thirty ears of corn grown and cultivated by them. For conditions and particulars see papers next week.

J. M. FODGE,
C. H. MILLER,
Committee.

ELTON.

Carl Kleeb left for South Dakota last week to purchase land.

Chub Spencer lost a valuable cow, caused by eating too much green alfalfa.

Fred Kleeb made a business trip to Mr. Cooksley's Sunday.

Mr. Towsley and Mr. Bookneau were out automobiling Sunday, and called at Joseph Spencer's.

Paul Haumont and Albert Kleeb were county seat visitors Saturday.

C. W. Mottinger, who has been teaching in Merna, is home for a short vacation.

Mr. Jules Haumont and son, Frank, of Broken Bow, made a business trip to Elton last week.

Joseph Spencer and wife, Mrs. Mottinger and daughter, Nettie, were visiting with J. Rudge's, of Broken Bow, Saturday.

Mrs. Wood Spencer, who has been visiting for the past month with her daughters, Mrs. Holland and Mrs. Story, near Berwyn, returned home Saturday evening.

Prairie Hill.

A nice rain fell in this vicinity Sunday night.

Mr. Phillips, of Ansley, is building Mr. Evins' house.

Homer Neth is riding around in a new buggy now days.

Miss Alice Longfellow spent Saturday and Sunday with Miss Ella Laughlin, near Berwyn.

Mr. Howard's brother of Iowa arrived Tuesday night, and will work for Mr. Howard this summer.

Mrs. Morford visited a few days last week with relatives on the Loup. Her mother, Mrs. Province, returned with her and will visit a few days.

ZUMBROTA ZEPHYRS.

A fine rain fell here on Sunday morning and night. This was needed very much for crops.

Mr. Harry Ash is thirty miles north of here shearing sheep.

B. S. Wells and wife Sundayed with M. D. Callen's.

Mr. and Mrs. Norcutt and Mrs. C. R. Denning, of the Bow, visited J. I. Koozer's last Sunday.

Mr. Pender has been to Texas to look at the country.

Chas. Koozer spent Saturday night with his college friends, Litkenberger and Campbell, in Broken Bow.

"Hurrah for Broken Bow's Fourth of July celebration!"

Mrs. Small has been quite sick, having an attack of the appendicitis. Dr. Mullen, who is in attendance, thinks that it will not be necessary to operate on her at present.

Mrs. Henry Johnson and children, of Broken Bow, visited Ralph Johnson's the latter part of last week.

Dr. Bartholemew drove through these parts last week, returning from a professional trip.

M. D. Callen has watermelon vines this early in the season. Better speak for your melons.

Miss Olive Cole stayed with Mrs. Small part of last week.

Windgate Foster had a runaway with his horses while hitched to the disc one day last week. No one was hurt, but the disc was damaged to some extent.

The rheumatism is still troubling Mrs. Oscar Tappan.

The last the writer heard from Walter Cole was that the doctors had more hopes for him. His many friends will be pleased to learn this.

Drink "Blue Ribbon" coffee. Roasted fresh every day. 24-1f.

(Continued from page one)
of the state. My father, who went by rail, and the two gentlemen of our party, attended the trustee meeting of the Theological Seminary of which Mr. Xanders is a graduate. During the meeting we walked around the college grounds and sat beneath the shade of its stately trees. At 10:30 we attended the installation services of Rev. Irvin Heck De Long D. B. Ph. D. as professor of Hebrew and Old Testament science, in the beautiful chapel of the seminary. The singing of so many of the clergy was inspiring. At the close of the meeting we met many old friends and a number of the professors and made many new acquaintances. At one o'clock we were honor guests at the Alumni banquet, in the immense dining room, where 250 people were seated at four tables the length of the room all beautifully decorated with red and white carnations. After such a feast of good things, a few toasts seemed too long to be thoroughly enjoyed, but when the Rev. Ginder, of Evans City, was introduced by the toast master, he prefaced his remarks with a funny story that put everybody in a good humor—indeed many times he was interrupted by laughter and applause. When I met him later I said his toast was full of spicy things, his name should be Ginger. There were many inquiries about Mr. Xanders and the work in the west.

Friday morning at 9:30 the advance guard of the Norristown automobile endurance contest, passed through York, scattering paper shavings to guide the contestants on their way. This was an entirely new experience to me and so fascinating, I stood for two hours watching them pass our house on the principal street of the city. Fifty-six cars of many makes and styles, left Norristown at 6:30 a. m. one minute apart. According to the rules and regulations of the contest, if an auto arrived ahead of time at any of the checking places, it was out of the race, so it happened that one car five minutes ahead of time was obliged to go so slow, for two blocks, that you could hardly see the "wheels go 'round," because they dared not stop. Pennants of the different cities along the route were flying from every car. The men all wore rubber coats or linen dusters and glasses, and were brown with dust. They all went spinning by, some at the rate of 25 miles an hour, and the men in nearly every car waved their caps or hands to us, one car full of "jolly good fellows" wove beer bottles. The chaffeurs were nearly all owners of the cars. The run was 185 miles to Hagerstown, Maryland the first. There were at least a dozen ladies in the party, and how they could stand the strain I cannot understand, for it certainly must be nerve racking.

Keep Your Poultry Healthy

It pays to feed your hens and chicks some good reliable poultry food occasionally rather than let them droop and die from cholera. It will serve as a tonic and a preventive of diseases.

It also makes hens lay. I have the GREAT WESTERN POULTRY TONIC that is guaranteed to give satisfaction. I also have insect powders and lice killers which are an essential thing to keep chicks healthy during the summer months.

S. R. LEE
The Busy Druggist

She's Cured Thousands
Given up to Die.

Dr. CALDWELL
OF CHICAGO.

Practicing Allopathy, Homeopathy,
Electric and General Medicine.

By request will visit professionally
