OFFICIAL RETURNS OF PRIMARIES

Do Not Change Results As Announced Last Week.

Republicans Vote a Large One

Amsberry Has Withdrawn in Favor o Haney for Register of Deeds and Fusion is Complete.

The official returns of the pri mary election held last weel made some changes in the ma jorities of the candidates as announced last week, but these changes were not large enough to overcome the majorities figured out in the unofficial returns. Poor held his lead over Joynes for county treasurer by fifty-four votes. Ford kept twenty two in advance of Humphrey, Lewis finished fifty-nine in the lead of Waters, VanAntwerp wound up with 404 over Ferguson, Pennington got his nomination by twelve, and Kennedy won out over Rogers easily with 582 to the good. Andrew Somers was nominated as the Republican candidate for supervisor in district number 4. Dewey had no opposition in district number 6

John Heney secured the Democratic nomination for register of deeds and Clyde Wilson was nominated on the Populist and Democratic tickets for county superintendent. F. A. Amsberry got the nomination for register of deeds on the Populist ticket and he has withdrawn in favor of John Heney.

The returns show that about 1175 Republican votes were cast, while the Democrats and Populists cast but 420. There wacratic and Populist primaries owing to there being but two offices at stake and there was not much of a fight put up by the candidates for these. The Republicans on the other hand had a contest on in all but two of the offices and they turned out in large numbers for this reason The total vote of the three parties was as follows:

In times to come some keen discerning mind may see the light And put our friend Purcell into a most deserving plight. "The Chief is nothing," then a judge may well be heard to say As Emerson comes walking in on legal notice day.
