

The Taste of the Nation

has actually been changed and cultivated by Uneeda Biscuit.

No longer are people satisfied with crackers taken from the grocer's box or barrel—exposed to dust, moisture, handling.

They have learned that the only crackers that are crisp, tender, always fresh and really good are those protected by a moisture proof package. These are the kind they get—as if just from the oven—when they ask for

S. R. LEE
The Busy Druggist

To The Voters of Custer County.
I am a candidate for the office
of county clerk, and being the
present deputy in this office, it is
impossible for me to make a per-
sonal campaign and keep up my
work in the office, hence I take
this means of soliciting your
support at the coming election.
I have been a resident of Cus-
ter county for 27 years, having
moved here from Iowa with my
parents when a boy 6 years old.
I desire to be elected, if at all,
wholly upon my merits, and to
those with whom it has been my
pleasure to do business as
Deputy, I ask that if you feel
that I have given satisfaction,
that you give me a favorable
consideration.
As Deputy I have been the
Clerk of the Board of Super-
visors for the past four years,
and I am thoroughly familiar
with the vast volume of work
that comes before this body.
I have also had the road work
of the county in charge, and feel

that I am thoroughly in touch
with this line of work in the
Clerk's office.

I am equally familiar with the
assessment, tax extension, and
all other kindred matters con-
nected with this office.

I was a soldier in Co. M. 1st.
Nebr. U. S. Vols. and served
with them in the Spanish Ameri-
can war and the Philippine
Insurrection.

If elected, I promise a fair and
square administration, and will
make this my only business, and
will give the office my entire time
and attention.

Asking your consideration of
my candidacy and support at the
polls, I am

Yours truly,
W. H. OSBORNE, JR.

Our New Hair Vigor

Ayer's Hair Vigor was good,
the best that was made. But
Ayer's Hair Vigor, new im-
proved formula, is better. It
is the one great specific for fall-
ing hair. A new preparation in
every way. New bottle. New
contents. Ask your druggist to
show it to you, "the new kind."

Does not change the color of the hair.
Formula with each bottle.
Show it to your
doctor.
Ask him about it.
Show do as he says.

As we now make our new Hair Vigor it
does not have the slightest effect upon
the color of the hair. You may use it
freely and for any length of time with-
out fear of changing the color. Stops
falling hair. Cures dandruff.

OUR SEALSHIPT OYSTERS

arrived on October 16. Although we had a liberal
supply, the demand for them was so great that we
were unable to fill all our orders.

They were elegant oysters, large, juicy, fat
Bluepoints, right from the ocean, with all the salt
sea flavor.

The demand for these oysters proves that the
people of this community appreciate a strictly first
class, pure food article. We will have a double
supply for our trade the latter part of this week,
but we advise those wishing them to order early
and avoid being disappointed.

We invite all of our patrons especially lovers
of good oysters to call and see our new, white glass
topped porcelain container. It is a triumph of
scientific ingenuity for preserving oysters pure,
without injuring their natural flavor.

We give oyster booklets free to those who de-
sire them. Remember the brand, Sealshipt Oy-
sters. Quarts 60c.
