"My little boy had an awful rash all over his body and the doctor said it was eczema. It was terrible, and used to water awfully. Any place the water went it would form another sore and it would become crusted. A score or more physicians failed utterly and dismally in their efforts to remove the trouble. Then I was told to use the Cuticura Remedies. I got a cake of Cuticura Scap, a box of Cuticura Ointment and a bottle of Cuticura Resolvent, and before we had used half the Resolvent I could see a change in him. TAMMANY WON IN NEW YORK

Gaynor Elected Mayor by 75,000 Plurality Over Barnard-Hearst Was a Poor Third-The Result in Other Cities.

New York, Nov. 3 .- William J. Gaynor has been elected mayor of New York by a plurality approximately 75,-000. The indications at mid-night were that he will be alone in his political glory in the board of estimate and apportionment, which spends the city's

Hearst ran a poor third. Estimates from 900 election districts put him 32,-000 behind Bannard, who in turn was 39,365 behind Gaynor.

In the next four years New York city will spend approximately \$1,000,-000,000. That money will be spent under the direction and by the votes of a board made up of the Tammany mayor, a Republican and fusion president of the board of eldermen, a Republican and fusion comptroller, pos sibly a Republican and fusion president of the borough of Manhattan, possibly the Republican and fusion presidents of the boroughs of Brooklyn the Bronx and Queens and possibly a Republican and fusion president of the borough of Richmond.

There are 16 votes in the board of estimates and apportionment. Of these the mayor has three; the president of the board of aldermen three, the compboroughs of Manhattan and Brooklyn two each. The presidents of the boroughs of the Bronx, Queen and Richmond have one each. It will be seen, therefore, that the vast sum of money years will not be under the control of Tammany Hall.

William J. Gaynor, who now becomes mayor of Greater New York, was elected on the strength of his personal record as a jurist and his stand for personal liberty and a liberal Sunday. Although the Tammany candidate, he said throughout the campaign that no boss shall dictate to him. Cleveland, O., Nov. 3 .- Tom L. Johnson, four times mayor of Cleveland, was defeated for a fifth term by Herman C. Baehr, Republican county recorder. Unofficial returns from approximately half the city indicated plurality and that rickert, Republican that Baehr's plurality over Johnson is and Union Labor, will defeat Francis at least 4,000 and may run to 6,000.

With him probably went the bulk of the Democratic ticket, those councilman who have been conscious in their support of his street railway programs suffering most. The Republicans, however, during the last campaign have taken over a number of Johnson's policies, especially regarding the street railway question.

Mayor Johnson opened his campaign with a declaration that the street railway question is settled. He said taxation was the issue. The Republican orators attacked the pending street railway settlement as a fraud and the mayor as insincere. Republicans hooted at Democratic taxation talk until Mayor Johnson made his charge of a Baehr deal to defeat real estate appraisers, recommended by the real estate board. Republican defense against the charge of a deal was a "shorter and uglier word."

Herman Baehr, the first Republican to be elected mayor of Cleveland in ten years, said that his election was due to dissatisfaction of the people with the methods of handling city business.

The mayor, in conceding his defeat, announced that he will be a candidate for mayor two years hence. Rumors that he would remove to New York were denied by his friends, but Johnson did not comment on them.

Topeka, Nov. 3 .- Topeka adopted the commission form of city government by a majority of 476. The actual and 2,146 against it. Less than oneand 2,146 againstit. Less than onehalf the normal vote of the city was cast. Even in the off years of city elections a larger vote was polled than in the election yesterday. The new order of things will not become effective until the city elections next April.

Philadelphia, Nov. 3 .- Philadelphia re-elected Samuel P. Rotan, Republican candidate for district attorney by a large majority. His opponent was D. Clarence Gibboney, long a leader of the reform element and widely known by his connection with the Law and Order society. Rotan's majority was more than 45,000. The vote was the largest in the city's history.

On the state ticket the Republicans elected J. A. Stober, state treasurer; A. F. Sisson, auditor general, and Robert von Moschzisker, judge of the supreme court. Two years ago John O. Sheatz, Republican, was elected state treasurer by 146,224 plurality.

Omaha, Nev. 3 .- Incomplete returns were in from the outlying precincts to form an estimate of the result of the election, so far as it concerned the state ticket, but almost total returns in Douglas and Lancaster counties, Omaha and Lincoln respectively indicated that the Republicans had elected their entire county tickets in those counties.

In Douglas county several Demoeratle county officials who stood for'reelection were defeated and the Republicans of Lancaster county increased their majorities of two years

Toledo, O., Nov. 3 .- Brand Whitlock, author and political successor of the late "Golden Rule" Mayor, Samuel M. Jones, was elected mayor for a third time. Practically the entire independtroller three, and the presidents of the ent ticket was elected with him, including the council. Fairly complete returns show that Whitlock's plurality over David T. Trenton, N. J., Nov. 3 .- The returns thus far indicate that the Republicans will retain control of both branches of the legislature. Providence, R. L. Nov. 3 .- Vote for governor in 90 out of 162 election precincts gave Gov. Pothier, Republican, 19,912 Arnold Democrat, 11,835. Last year these districts gave Pothier 21,119 and Arnold 14,302. It was estimated that Pothier's plurality would be over
