

Custer County Republican

Married.

PIRNIE—LECK.

At the bride's home in Weisert, April 10, 1910, by Rev. Richard Bellis of Berwyn Mr. Roy Leck and Miss Amy Pirnie both of Weisert.

At 12 o'clock the strains of the wedding march were heard and the happy young people marched to the northwest corner of the parlor where they took their places under a beautiful arch erected for the occasion, colors blue and white and ornamented with silver and standing under the arch facing a large company of relatives and friends they were united in the holy bonds of matrimony.

After the ceremony the company was ushered into the dining room where all enjoyed the marriage feast. The young people were the recipients of many beautiful and useful presents.

They will reside on their farm in the southeastern part of that beautiful valley known as Lone Tree. We start on life's journey with the good wishes of many friends.

Harmon Oleson of Round Valley who had been in the city with his grand parents, Mr. and Mrs. Ole Johnson, for the past three weeks died this morning. The immediate cause of his death was pneumonia which he contracted within a week.

Wednesday noon three engines 3134, 3152, 3106 passed through this place going east to the shops to be repaired. These engines were the ones that had been in the wreck at Sheridan. All were rather smashed up. In this wreck an engineer, fireman and a brakeman were killed. It was a head on collision.

O. O. Fessenden has closed out his meat market here and he and family will move to Burwell in the near future where Ott has taken a position as manager of a large market. We certainly regret seeing him close his doors here as he has furnished the people with a first class grade of meat all the time during his several months stay. The best wishes of this community follow them no matter where they decide to make their home.—Arcadia Champion.

Big Open Air Band Concert

The band will play Saturday noon at 12:30 sharp on the public square.

Everyone wishing to hear some good music will do well to be around the square Saturday.

Married.

KIMBALL—LOWDEN.

At the home of the bride's parents, Mr. and Mrs. K. W. Kimball, one of the oldest settlers on Clear creek, occurred the wedding of their youngest daughter, Miss Ruth, who has grown to womanhood on the old homestead and has friends by the score. She is one of the county's most successful teachers. Mr. Lowden is the son of Mrs. Jane Cone of Ansley. He has been a resident of Ansley for several years and is an honest and industrious young man and has many friends among the old settlers. The young couple received many useful presents from old friends and after congratulations they all sat down to a big dinner prepared by Mrs. Kimball who knew how to suit the tastes of those present. Mr. and Mrs. Lowden will be with Mr. and Mrs. Kimball for some time to come, as they are to farm the old home place and can be found there by their many friends.

One who was there.

Carl Amsberry of Mason City has accepted a position in the mechanical department of the Beacon. He commenced Monday morning.

The census enumerators will start on their work tomorrow and in another month the work all be over but counting. It will be several months before the population will be given out.

The Transcript and Star of Mason City have consolidated. W. C. Warrington the pioneer editor of the Transcript has purchased the Star of Mr. Darrow. This is a good deal for both parties concerned as Mason is not large enough for two papers.

The Baptist church was crowded Tuesday evening to hear the lecture given by Rev. W. L. Gaston on "Yo Semite." The lecture was very interesting and instructive, giving a picture through words that a person can see as well as feel the enjoyment and thrill of the grandeur of the trip through the valley. The persons, who attended, enjoyed two, never-to-be forgotten, hours of travel in "God's Own Cathedral."

Judge J. R. Dean of this city has yielded to the persuasion of his misguided, though doubtless well meaning political friend and has filed his application as a candidate on the democratic ticket for congress of the sixth district.

A CALL

For The Woman's Civic Improvement Club.

All members of the Woman's Civic Improvement Club and all others willing to help are earnestly invited to meet at the Baptist church on next Saturday at 3 o'clock p. m. for the purpose of arrangement for a general clean up day for Broken Bow. Come and help us make our beautiful little city clean and beautiful.

L. S. Groat, President.

Geo. Sloggett was the victim of an accident the fore part of this week while breaking in a broncho. He had the saddle adjusted and all was ready and in getting on he took hold of the saddle horn and the back of the saddle swinging himself on without putting his foot in the stirrup, the broncho beginning to buck before he could get his feet in the stirrups and threw him off. He got on again, others holding the horse while he put his feet in the stirrups thus getting a better seating, then letting the horse go. It started straight for a fence and when it came to going over the fence, it took a different method of going over than others, it rolled over. George was thrown, alighting on his head in such a manner as to render him unconscious. He got up and walked around acting as though something was wrong but the bystanders did not notice it. In a few hours he was seen driving to town to get his arm dressed that had been skinned and said that he had just come to about a half an hour before.

Broken Bow Wins Debate.

The debate between the Ravenna and Broken Bow high schools Friday night was decided in favor of Broken Bow.

It is reported that Clyde Walters was champion of the home team.

W. A. George for State Treasurer.

W. A. George of this city filed today as candidate for State Treasurer on the republican ticket.

Walt as he is familiarly known made Custer county an ideal treasurer for four years and in every way is well qualified for the position.

His candidacy will meet popular approval from the first.

Live Stock Commission.

Lincoln Still Dry.

The city of Lincoln gave an increased majority last Tuesday of 585 votes against saloon license. It was a special election upon the question which brought out the largest vote ever cast in the city 9481 of which 5208 were against license.

The following which appeared at the head of the column in the State Journal yesterday morning gives an idea of the rejoicing in Lincoln by the temperance people.

This town gives forth no wail of woe,

No outburst of despair;

'Praise God, from whom all blessing flow,'

Is sounded everywhere.

And this thing means, it seems to me—

Give thanks with tongue and pen—

That this grand state is not to be Jimdahlmanized. Amen.

Miss Nella Holcomb went to Anselmo Monday evening to attend the program and box social given by the Catholic ladies of that place. A good time is reported.

Jim Dahlman will have greater reasons than ever now for wanting to move the State capital from Lincoln since the city has given an increased majority against saloon.

Boys' and Girls' Club Organizes.

The boys and girls from a number of towns and school districts of the county met at Broken Bow last Monday and organized their County Club. Miss Rowan, the state organizer, was present to direct the work. Each member agrees to take up some work during the summer either in agriculture or domestic science, under the supervision of the state department and county superintendent. Instructions for the work will be sent out monthly direct to the members of the club and each member will make a monthly report as to the progress of the work. County and state prizes will be offered for the best work in each department. The membership of the club for this county was about fifty.

E. D. Eubank who has been preaching for the Church of Christ at Coburg for some time past has been employed to minister for the church at Lillian also. In this organization are a number of worthy members who confessed their faith in Christ under his preaching when they met at the "Little White Pigeon" school house. Our lamented brother Kopp did a splendid and efficient work at Lillian and we hope to continue this good work. E. D. Eubank had a large and appreciative audience last Sunday both morning and evening.
