

CLOSING OUT SALE!

What This Sale Will Mean To You

That you can buy from a brand new stock, less than five months old and most of the goods less than one month old, at less than the manufacturers price.

Stock consists of Ladies and Gents Suits, Men's and Women's Furnishings, Lace Curtains, Towels, Bed Spreads, Men's Hats, Notions, etc. etc.

At a meeting in Omaha of the stockholders of the corporation of Raphael-Pred Co., owners of the NEW YORK STORE at Broken Bow it was decided to get a better and more up-to-date building, so a better and larger stock could be carried beginning Sept. 1st and every dollar's worth of merchandise now on hand will be sold at a sacrifice. This must be done not later than June 1st, 1910, in order to break ground for a new building. Mr. Raphael, president of the corporation, is now in this city and will go through every garment and every article in this store, including a large shipment made recently. Before this decision was made, and will mark them down to such ridiculous low prices that they will sell themselves.
