

SLAUGHTER!

CLOSING OUT SALE.

At a meeting in Omaha of the stockholder of the corporation of Raphael-Pred Co., owners of the New York Store at Broken Bow it was decided to get a better and more up-to-date building, so a better and larger stock could be carried beginning Sept. 1, 1910, and every dollar's worth of merchandise now on hand will be sold at a sacrifice. This must be done not later than June 1st, 1910, in order to break ground for a new building. Mr. Raphael, president of the corporation, is now in this city and has gone through every garment and every article in this store, including a large shipment made recently, before this decision was made, and had marked them down to such ridiculous low prices that they will sell themselves.

It would take every page in this paper to advertise our wonderful bargains.

WE have cut every dollars worth of goods in our store to the limit which will be a sensation to economical buyers of Broken Bow and the vicinity. We are compelled to make this great sacrifice in order to get rid of our entire stock by June 1st and get ready for a large new complete stock in the fall for our new building. Thousands of people of Broken Bow and the vicinity have visited our closing out sale in the last few days and taken advantage of the phenomenal bargains. We are placing hundreds of new items on our bargain tables every day which we didn't have room enough to display the first few days.

Sale now Going on in full force. We have increased our force of Sales-people to wait on you quickly.

One Word to the Buying Public of Broken Bow and Vicinity

We have chosen this town as one of our big points, for the reason that the people here have shown us that they appreciate an up-to-date store that gives good values.

As we are going to deal with you again this fall we have decided to dispose of the goods now on hand and give great bargains so you will remember us when we open up our new store again this fall.

Come in and see the new way we are selling merchandise when we slaughter prices.
