**N. T. GADD'S ANNOUNCEMENT FOR COUNTY ATTORNEY.**

Having filed with the proper officer, I now announce myself a candidate for the office of County Attorney subject to the approval of the republican party at the Primary election to be held August 16th, 1910. It is perhaps needless for me to say:— I am unalterably against the Liquor Interests, I am for county option, for state and nation wide prohibition. I am a republican, but am most emphatically for the revision of the Tariff downward and for the removal of tariff upon things essentially necessary to the comfort, health, happiness and prosperity of the citizen. My present term of office does not expire until January 1911, my time and ability therefore is the property of the citizens of the county, of all political complexion; that being true I WILL NOT MAKE A CANVASS, I have not been absent from any meeting of the board of supervisors have been on hand at all times when called upon by county officers from the least to the highest, including Township and School district officers; When needed by the private citizen, either over the phone, or in person I have been on hand by day or night, and this I will have to say at the end of my term of office regardless of the results of the primary election; if you need the county attorney, you will find him at his office, not out in campaign, using your time to further his personal interests. If absent, it will be because of business, and in that event, there will be a competent lawyer in charge of the office. I am human, and no doubt have made mistakes during my term of office, but I have no excuses to offer neither any apologies to make; I have sought to discharge duty to the best of my ability from my view point, this I will continue to do. I will thank you for your consideration and will appreciate your support. Respectfully Yours, N. T. GADD.
