From the Sheridan Post, Sheridan Wyo.—"Enormous crowd was present Sunday afternoon at the Wyoming-Montana Wild West show, but it was small as compared with the crowd on July 4th. If anyone within a radius of 100 miles was not present, their absence was not noticed, in the vast throng that filled every available seat in the grand stand and the amphitheater annex and the space between the grand stand and the tract to the gates.
It was the largest crowd ever seen on the Fair Grounds."
