LOVELAND, A SELF-MADE MAN.

Because he had been a most successful pastor in some of the other prominent pulpits of the denomination Dr. Frank Lafayette Loveland was called to the First M. E. Church of Omaha a little over three years ago. The church was in bad shape, mighty bad; the congregation was

small and discouraged; the building was in bad condition and a funeral pall seemed to pervade Omaha Methodism. Nothing daunted, Mr. Loveland took the whip hand. Things soon began to pick up. His preaching filled the pews and his business judgment helped to untangle the financial difficulties. Today that congregation is paying Dr. Loveland the largest salary of any preacher west of Chicago, and he has two assistants, which enable him to give more time to outside engagements. The Omaha preacher brings a virile message to the Chautauqua platform. He is a man with a purpose and drives straight to his object regardless of obstructions and difficulties. He does not seek to say the popular thing, rather to say the necessary thing when the occasion seems to demand. Dr. Loveland has become one of the most popular platform speakers of the United States and the management of the Chautauqua feels pleased to announce that his time has been fully taken by the Redpath System for the season of 1910.

ACT QUICKLY. Delay Has Been Dangerous in Broken Bow. Do the right thing at the right time. Act quickly in times of danger. Backache is kidney danger. Doan's Kidney Pills act quickly. Cure all distressing, dangerous kidney ills. Plenty of evidence to prove this. O. H. Tuttle, Rogers Street, Broken Bow, Neb., says: "I have nothing to regret for the public statement I gave three years ago in favor of Doan's Kidney Pills and I have had no need of a kidney medicine since. For several years I felt kidney trouble coming on me and a cold was the means of bringing it to a climax. My back was stiff and frequently I had sharp shooting pains in my joints and kidneys. I was confined to the house for weeks and I was unable to walk further than ten feet at a time. The doctor said I had gravel and treated me for this trouble for several weeks. In time his medicine helped me and I was able to get out, but before long the difficulties returned with renewed severity. The kidney secretions became highly colored, contained a sediment and bothered me by their frequency in passage. When someone advised me to try Doan's Kidney Pills, I procured a box at Haerberle's Drug Store and they brought relief almost immediately. In a few weeks I was cured and from that day to this, I have had no further cause for complaint." For sale by all dealers. Price 50 cents.
