LOVELAND TO THE RESCUE.

Great Western Divine Proves to Be the Man of the Hour.

While Dr. Frank LaFayette Loveland, of Omaha, has acquired a national reputation as a great preacher and orator, it may not be known that he is the highest salaried clergyman west of Chicago.

On the evening of last Thanksgiving day a release for the last dollar of the many debts was read aloud. The church has been put on a business basis; the congregation owns one of the finest properties in the city. Dr. Loveland's salary has been steadily increased, and he has been given two assistant pastors, which fortunately permits him to devote some time to the lecture platform.

It is because Loveland is a man of great business capabilities, that the natural result has been accomplished. It is because Loveland is a man of tremendous platform and pulpit ability that large as his church is, it is still incapable of taking care of the crowds of people who want to hear him preach. The question "Why Church Pews Are Empty," has never troubled Loveland.

Dr. Frederick R. Hopkins.

When a pastor of Plymouth church Dr. Hopkins asserted that society women were becoming habitual drinkers in the restaurants and that social vice was fostered in the shadow of city churches, it created a furor that threatened to drive the fearless preacher from his pulpit.

ACT QUICKLY.

Delay Has Been Dangerous in Broken Bow.

Do the right thing at the right time. Act quickly in times of danger. Backache is kidney danger. Doan's Kidney Pills act quickly. Cure all distressing, dangerous kidney ills.

Pleanty of evidence to prove this. G. H. Tuttle, Rogers Street, Broken Bow, Nebr., says: "I have nothing to regret for the public statement I gave three years ago in favor of Doan's Kidney Pills and I have had no need of a kidney medicine since. For several years I felt kidney trouble coming on me and a cold was the means of bringing it to a climax. My back was stiff and frequently I had sharp-shooting pains in my loins and kidneys. I was confined to the house for weeks and was unable to walk further than ten feet at a time. The doctor said I had gravel and treated me for this trouble for several weeks. In time his medicine helped me and I was able to get out, but before long the difficulties returned with renewed severity. The kidney secretions became highly colored, contained a sediment and bothered me by their frequency in passage. When someone advised me to try Doan's Kidney Pills, I procured a box at Haebler's Drug Store and they brought relief almost immediately. In a few weeks I was cured and from that day to this, I have had no further cause for complaint."
