A Great Down Pour of Rain.

This vicinity was visited Tuesday evening about 8 o'clock with 1.91 inches of rain, thourghy gonding the parabed earth. The great value to the county can to be estimated. Some fields of corn were almost past redemtion yet a large percent of the corn will be benefited and au average of a half crop will be harvested:

The rain did not extend west more than six miles of Broken Bow and same distance north, yet the entire south east part of the county was visited by the O. H. Moody of Westerville sam rain and it extend to Lincoln

The rain was accompained by a lawy wind and some bail. the damage by hail and wind was only slight compared with the good resulting. The only regret is that the rain did not extend to a greater distance north and west where rain is still needed.

The prospects are however now that the rain period has set in and that every locality will get The storm last Tuesday night its share in due season.
