Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; since cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. Sold by Druggists, 7c.

County Board Proceedings.

Broken Bow, Aug. 18, 1910. Board of Supervisors met at 2 p. m. with all members present except Grint, who was reported ill, and unable to attend.

Moved and carried that the road committee reconsider the matter of the C. Overgard road petition.

The chairman appointed Supervisors Dewey, Foley, and Cushman to appraise school land in section 16, township 13, range 18.

The county clerk reported that he had on file in his office, petitions from various parties requesting that there be submitted to the voters of Custer county at the general election of 1910, the proposition of the erection of the new proposed county of Rose within the territory comprising Custer county, Nebraska, which were in words and figures as follows:

To the Board of Supervisors, Custer County, Nebraska.

Honored Sirs:

We, the undersigned legal voters of Custer County, Nebraska, residing in the territory hereinafter described land and sought to be detached from Custer county, Nebraska, do respectfully petition your honorable body for the erection of a new county out of a part of the territory now comprising Custer county, atoresaid, and that the question of the erection of said county be submitted to a vote of the people of Custer county, Nebraska, at the next general election, and that you call and order such election as by law provided.

The new county to be known as and named "Rose" county, and be bounded and described as follows: Commencing at the southeast corner of section 1, township 17, north, range 17 west, 6th P. M., Custer County, Nebraska; thence west on section line about 2 1/2 miles to the northwest corner of section 7, township 17, north range 17, west 6th P. M.; thence south about four miles to the southwest corner of section 30 same township and range, thence east about three miles to the southwest corner of section 27, same township and range, thence south 1/2 mile, to the south east corner of section 34, same township and range; thence east along the township line about three and one half miles to the northwest corner of section 6, township 16, north range 19, west 6th P. M.; thence south along the range line about 18 miles to the north east corner of section 6, township 13, north range 18, west 6th P. M.; thence east about six miles to the northwest corner of section 6, township 13, north range 18, thence south about 6 miles to the county line, and along the county line about twelve miles to the southeast corner of section 36, township 13 north range 17, and to the south east corner of Custer county, Nebraska; thence north and west along the county line about twenty-nine and a fraction miles

to the southeast corner of section 1, township 17, north range 17, west 6th P. M. and the place of beginning.

We further certify that we live on the land described opposite our names and ask that our names be counted in favor of said petition, and that in no event shall our names be counted against it nor in favor of any remonstrance against this petition.

State of Nebraska } County of Custer. } ss.

R. M. Hayslip being first duly sworn according to law, deposes and says he has been a resident of the territory described in the attached petition as Rose county, about four years, and is well acquainted with the voters residing therein, also with the names attached to or subscribed to all of the said petitions, and declares that the said petition contains a majority of all the legal voters residing in said territory, and considerable above a majority. The affiant has not only acquainted himself with the people residing in the territory described, but has also acquainted himself with the vote of the different precincts, and parts of precincts therein at the last election and other elections, and has also taken into consideration the statement of the county clerk as to the total number of voters residing therein, and affiant verily believes that the number of voters residing in the territory mentioned as Rose County, at this time will not exceed 1630 25, and the said petitions in all contain approximately 831 signatures of voters residing therein, and 15 75 of a majority of all the legal voters residing therein, as affiant verily believes.

R. M. Hayslip.

Subscribed in my presence and sworn to before me this 18th day of August, 1910.

W. H. Osborne, Jr., County Clerk. O. W. Barnard, Deputy.

[SEAL]

The chairman appointed Supervisors Gilmore, Headly and Cushman as a committee to investigate and report upon said petitions.

Moved and seconded that the county clerk be instructed to draw warrants in payment of the claims against Custer county, not to exceed 85 per cent of the amount of the levy. Carried.

The road committee made their report and allowed two claims.

And upon reconsideration of the petition of C. Overgard et al. for a road in 14.21, we recommend that the petition be granted from Station "O" to Station 18 of the survey, and that the road from the SW corner of 27-14-21 to the southwest corner of 29-14-21 be vacated. Road to be 4) feet wide, and damages were allowed.

Edward Foley Sr., L. Cushman, Committee.

Moved and carried that the report of the committee be accepted and adopted as read, and that the roads be and hereby are established and vacated as recommended by the committee.

The committee appointed to investigate and report on the petition for the new proposed county of Rose, reported as follows:

We, your committee appointed to investigate the petitions for the new proposed county of Rose submit the following report:

We find that the petition contains 831 signatures. We find that the abstract of votes for the year of 1909, as furnished by the county clerk was 1630.25 votes, and further find that the said petitions contain a majority of 15,775 signers and legal voters. We further find that the proposed new county of Rose will contain more than 450 square miles, leaving Custer county more than 450 and we therefore recommend that the petition be granted and that the question of the erection of the proposed new county of Rose be submitted to a vote of

the people of Custer County, Nebraska, at the next general election, and that notice be given, and that the vote be canvassed as required by law in such cases, and that the form of ballot shall be "for the proposed new county of Rose," and "against the proposed new county of Rose."

J. B. Gilmore, Geo. W. Headley, L. Cushman, Committee.

Moved and seconded that the report of the committee be accepted and adopted as read.

Jos. Pigman here offered the following protest:

Before the Board of Supervisors of said County, State of Nebraska } County of Custer. } ss.

In the matter of the petition of J. H. Gonge, Perry Foster, J. H. Kerr, W. S. Mattely, et al., wherein it is prayed for the erection of a new county out of a part of the territory of Custer county, Nebraska, said proposed new county to be known as Rose county.

Comes now the undersigned and represents to the board that he is a resident, taxpayer and legal voter of Custer county, Nebr., and hereby enters protest against any consideration by this board on the above said petition, for the reason that the petition is not signed by a majority of the legal voters residing within the territory sought to be cut off and organized into a new county as provided by law.

That there is no evidence before this board to show that said petition contains the names of a majority of the legal voters of said territory.

That the affidavit of R. M. Hayslip attached to said petition is wholly insufficient to establish the claim that the petition is signed by a majority of the legal voters residing within said territory.

And for further reason that this board nor the committee to which it was referred has taken any steps to ascertain whether or not the said petition actually contains the names of a majority of the legal voters residing within the proposed new county.

This remonstrator therefore denies the jurisdiction of this board to grant the above said petition and order an election on the question, and asks that he be allowed a reasonable time in which to collect evidence to show that the petition does not contain the required number of signatures.

Jos. Pigman.

Protestor further objects to the affiant not giving oral evidence of how he has ascertained that the petitions contain a majority of the legal voters in the said territory.

A vote was taken upon the question and the same declared carried.

Mr. Pigman asked that the minutes of this meeting be made to show that he was present and took exceptions to the action of the board in the matter of the petition.

The erroneous and delinquent tax committee made the following report:

We your committee recommend that John F. Hoback be refunded the amount of \$2.50 poll tax by reason of having been doubly assessed on same, the same being on Receipt No. 2864.

Geo. W. Dewey, L. Cushman, Committee.

Moved and carried that the report of the committee be accepted and adopted as read.

At 5 p. m. it was moved and carried to adjourn till 8 a. m. tomorrow.

Friday, August 19, 1910.

Board met at 8 a. m. with all present except Grint.

Moved and carried that the section line commencing at the NW corner of 28-16-18, thence west about 185 rods, to connect with road 659, be and the same hereby is declared a public high-

way, and the same be advertised. Road to be 40 feet wide.

The balance of the forenoon was spent in committee work and at 12 m. the board adjourned till 1 p. m.

Afternoon Session.

Board met at 1 p. m. with all members present except Grint. The judiciary committee made their report and allowed two claims.

DECIDE YOURSELF.

The Opportunity is Here Backed By Broken Bow Testimony.

Don't take our word for it. Don't depend on a stranger's statement. Read Broken Bow endorsement. Read the statements of Broken Bow citizens.

And decide for yourself. Here is one case of it: John W. Bruce of Broken Bow, Nebr., says: "I have no reason to withdraw the public statement I gave in praise of Doan's Kidney Pills three years ago and I have often taken pleasure in confirming it to people who have wished to know further about Doan's Kidney Pills. I was laid up a great deal by my back and kidneys and on two occasions my back gave out completely. The kidney secretions caused much annoyance, being irregular in passage. Before I had finished the contents of the second box of Doan's Kidney Pills, I was much better in every way and continued use of this remedy restored me to good health. On several occasions since then, I have taken Doan's Kidney Pills and found them thoroughly reliable."
