Political Cards of Thanks.

Congressman Kinkaid wishes us to express his most hearty and sincere thanks for the excellent vote given him in this county for his re-nomination. From present appearances it would seem that he will receive about three votes to one for his principle competitor.

I take this method of expressing my thanks for the loyal support of my friends in giving me the suffrage at the primary and feel it my duty to never betray any confidence reposed in me hoping that I may never lose the friendship of any I am truly.

W. J. Rice.

I thank you all for your generous support at the primary. I'll be elected but with a fair clean fight.
