IT GROWS HAIR

Here Are Facts We Want You to Prove at Our Risk.

Marvelous as it may seem, Rexall "93" Hair Tonic has grown hair on heads that were once bald. Of course, in none of these cases were the hair roots dead nor had the scalp taken on a glazed, shiny appearance.

Rexall "93" Hair Tonic acts scientifically, destroying the germs which are usually responsible for baldness. It penetrates to the roots of the hair, stimulating and nourishing them. It is a most pleasant toilet necessity, it delicately perfumed and will not gum or permanently stain the hair.

We want you to get a bottle of Rexall "93" Hair Tonic and use it as directed. If it does not relieve scalp irritation, remove dandruff prevent the hair from falling out and promote an increased growth of hair, and in every way give entire satisfaction, simply come back and tell us, and without question or formality we will hand back to you every penny you paid us for it.

Two sizes, 50c and \$1.00. Sold only at our store—The Rexall Store. Albert H. Souders.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circular and testimonials.

Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 71c.

To The Voters of The 56th Representative District.

Numbers of my friends have told me that they have been asked the question, "Who is this man Jeffords who is a candidate for representative on the people's independent and democratic tickets?"

It is right and proper that you should know something about the men who are candidates for office and to answer the foregoing question is the object of this article.

I acquired a common school education and one year in the normal department of Penn College, Oskaloosa, Iowa.

Taught school in Iowa and Nebraska and in April, 1880 entered public land eight miles west of the present city of Broken Bow and was known for two or three years as "the lone man" for my nearest neighbor was six and the next eight miles away.

Married in April 1883 and those who know Mrs. Jeffords can testify that I haven't been "lone" since. Result four live kids.

Was elected Register of Deeds of Custer county and served in that office 1898-1902 and the patrons of the office during those years will tell you that they were treated with courtesy and the business of the office was done promptly and accurately.

Returned to my farm in 1902 and have carried on with fair success a general farming and stock raising business until a year ago when I leased the farm and business to my oldest son.

Politically I have always been independent and have affiliated with whatever party that in my judgment would conserve the interests of the greatest number.

You owe it to yourselves in this district to select two men for the legislature who you believe are most able to take care of the interests of the state.

If I am elected, I shall try to act as the majority of you would act were you in my place.

Sincerely,
C. H. Jeffords.

Mrs. Ed Scott of Anselmo accompanied by her son was in the city last Tuesday visiting friends. She returned home on No. 39.

CUSTER COLLEGE NOTES.

The College played their first game of foot ball on Saturday of last week with the Mason City High School. The game was very interesting from start to finish but the high school proved too much for the college with a score of 11 to 0.

The first literary program was given at the college Monday evening with a large attendance and a very good program.

There is now enrolled 66 students at the College, which is about 15 more than was enrolled at this time last year. This shows that the college is growing.

A very interesting talk was given by Rev. Thompson in Chapel Wednesday morning.

The present cold snap is not due to a lowering of the temperature in the democratic party.

The old City Hall building is being moved from its present location in order to make room for the new municipal structure. The new site will be between Taylor's studio and Purcell's Printing office.

After looking over all other lines in town drop in to Konkell's and he will try and please you as well as make it profitable for you.

TESTED AND PROVEN

There is a Heap of Solace in Being Able to Depend Upon a Well Earned Reputation.

For months Broken Bow readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. Not another remedy ever produced such convincing proof of merit.

W. S. Boyce, of Broken Bow, Neb. says: "I have had no kidney trouble to speak of since I used and publicly endorsed Doan's Kidney Pills more than three years ago. For about twenty years I was afflicted with kidney complaint. My back weak and painful and I was seldom free from a dull throbbing ache over my left kidney. Now and then sharp stings darted throughout my body and I often felt so poorly that I had to go home and lie down for hours. Headaches and dizzy spells annoyed me and I had to get up at night to pass the kidney secretions. Nothing did me the least good until I used Doan's Kidney Pills, procured at Haebler's Drug Store. This preparation made me feel like a new person and since then, when I have taken it, benefit has always followed.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name, Doan—and take no other.
