SENATOR BURKETT ENDORSED BY INSURGENT SENATORS.

The progressives among the republican senators are coming to the aid of Senator Burkett in his fight for reelection. Certainly these senators are in a position to know of the work of our senior senator, and their judgment ought to be accepted by the honest inquirer.

Senator Bristow.

Last week Senator Bristow, the Insurgent Senator from Kansas, said of Senator Burkett:

"I should be very much pleased to render any assistance I could to Senator Burkett, but I have spent so much time outside of Kansas already that I cannot any longer neglect the Kansas campaign.

"While upon a number of votes Senator Burkett and I did not agree, yet he was of especial value to the progressive cause, not only in the tariff fight in behalf of a genuine revision but also in the fight for effective and efficient legislation regulating the railroads, he rendered fine service.

"Wishing you success, I am
"Very truly yours,
"JOSEPH L. BRISTOW."

Senator Beveridge.

And now comes Senator Beveridge the fighting insurgent senator from Indiana, who last week wrote to the chairman of the republican state committee as follows:

"I am very sure the people of Nebraska will return Senator Burkett to the senate. The great progressive movement that is sweeping over this country needs every man of progressive tendencies. Generally speaking, the politicians now in control of the Democratic party are not putting up such men. The whole tendency of the cabal of dominant politicians now in control of that party is reactionary. One has only to consider the dominant influences in that party from New York and Ohio to Texas and Georgia.

"I am exceedingly sorry that the engagements already made will prevent my coming to Nebraska, for I

should like very much indeed to be of any possible assistance that I could in the re-election of Senator Burkett. He should be returned; and I have no doubt he will be returned.

"With kind regards,
"Sincerely,
"ALBERT J. BEVERIDGE."

Senator LaFollette.

Senator LaFollette's Magazine, in an article reviewing Senator Burkett's work said:

"To get the truth about Senator Burkett, you must get close. You must study his record. When you do this, you will see that he is a progressive, progressive. You will find that during the railroad legislation of 1906 he took strong strides in the people's cause. You will find him forging ahead with the merest handful of republican senators in support of the amendment to provide for the physical valuation of railroad property as a basis for the regulations of railroad rates, an amendment that was anathema to the 'system' leaders of the Sen-

late. You will find him springing forward to the support of an amendment to protect the railway employees and to fix a just liability upon the railroads for their injuries incurred in this hazardous service. You will find him afterwards charging the ramparts of the 'system' in behalf of the railroad company employee's liability bill. You will find him again voting consistently, roll-call after roll-call, while 'system' senators were 'ducking' into the cloak rooms to avoid the vote, to put to passage in the Senate the bill to promote the safety of the traveling public and the employees of railways by fixing a reasonable limitation on the hours of railroad employees engaged in the operation of trains."

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Dr. J. C. Cheney's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists. Take Hall's Family Pills for constipation.
