These ornaments enhance feminine grace and beauty, and accentuate the seductive lines of the neck and gives poise to the head. Realizing this fact, we have bought a splendid quantity, containing many beautifully designed pieces. Come in and try them on. You will appreciate both the goods and the prices.

STATE ELECTION RETURNS DRAWN

It is Believed State Republican Ticket Elected.

As usual election returns for Nebraska are slow in getting in and estimates only can be made from returns now in. It is believed however that the state ticket is elected with the exception of U. S. Senator. Some of the localities that were expected to pile up a huge majority for Dahlman fell short of their expectations. Hall county fell down far below what was expected, Box Butte county which had been slated for Dahlman gave a majority for Aldrich according to meager reports received.

One bulletin gives the following, "Aldrich elected by five to ten thousand, Hitchcock twenty-five thousand."

A heavy vote was cast throughout the state, all available energy was put forth to poll a full vote for all parties. Never in the history of Nebraska were the results so uncertain. People who here-to-fore were never known to interest themselves in political matters were hard at work to further the interests of a better Nebraska. A record seems to have been made in establishing the fact that "Cleanliness is next to Godliness" and that this rule must apply to the politics of our state. While positive figures are not available at this time it is thought that the above figures on governor are safe and hopes are entertained that even a larger majority will be found when all returns are in.

Married—At the Methodist parsonage, Sunday Nov. 6, Mr. Lee L. Glidewell of Berwyn, Nebr., to Miss Inn Loraine Hatfield of Ansley, Neb. They were accompanied by Mr. Wm. Hatfield of Ansley and Miss May Crow of Berwyn.

Below we give the vote on all candidates voted on last Tuesday at the two voting precincts in Broken Bow. The county board will be republican. Next week we will give the vote of Custer county in full. As we go to press the returns are not all in and we do not care to publish a long list of incomplete figures, believing a weeks delay and a correct statement will be more satisfactory.

Proposed Constitutional Amendment, north side for 145, against 49, South side for 268, against 65.

North Side	South Side
Burkett	149
Hitchcock	218
Aldrich	330
Dahlman	136
Hopewell	211

Gadd	259
Beal	237
Anderson	244
Ort	216

County Division is probably defeated by 1400 in the county. Beal will be our next county attorney. Looks like Gandy and Moody would be representatives. Ben Morris will be county commissioner from the seventh supervisor district. Woodruff from the fifth and Burnham from the first. We expect to give a complete table of the vote next week.

F. M. Currie who is in Mexico looking after his mining interest reports flattering prospects.

ALDRICH'S MAJORITY OVER 25,000

THE REPUBLICAN STATE TICKET ELECTED BY GOOD MAJORITY.

The Democrats elect a Majority of The New Congress By 29

SENATE REMAINS REPUBLICAN.

Three Republican Congressmen Elected in Nebraska— Kinkaid, Norris and Sloan

Custer County Elects Beal, Dem., for County Attorney and Jesse Gandy, Dem. for State Legis- lature

BURKETT DEFEATED FOR U. S. SENATE BY HITCHCOCK.

The splendid vote given Chester H. Aldrich, rep., candidate for governor speaks well for the moral sense of the voters of Nebraska.

That Nebraska can still be counted in the republican column is vouches safe by the splendid majorities given the entire republican state ticket.

The democrats have elected a majority of next congress by twenty-nine. Nebraska elected three of the six congressmen from the state.

They are from the Fourth district, Chas. H. Sloom; Fifth, Geo. W. Norris; Sixth, Moses P. Kinkaid.

In Custer County, C. W. Beal, dem., was elected County Attorney by a majority of 460 or 500. From present indications Jesse Gandy, dem., and O. H. Moody, rep., are elected to the legislature.

The election of State Senator is still in doubt with Fries, rep., in the lead in this county.

The County board is republican by one majority, Anderson of Broken Bow, Burnham of Westerville, Woodruff of Calloway, are elected in their respective districts. Ben Morris, dem., is re-elected in his district. The hold over members are Dewen, rep., Foley, dem., Head-

ley, dem.—The Omaha Bee says— Chester H. Aldrich of David City has been elected governor of Nebraska by the largest off-year plurality given in Nebraska in many years.

His plurality over Dahlman will not be less than 25,000, and may possibly go to 30,000. The last off-year election in Nebraska was won by Sheldon in 1906, when his plurality over Shallenberger was a little more than 12,000.

Returns so far compiled indicate that the entire republican state ticket has been elected, and that Messrs. Hopewell for Lieutenant governor, Walter A. George for state treasurer, Silas R. Barton for auditor, Addison Walt for secretary of state, E. B. Cowles for commissioner of public lands and buildings, Grant Martin for attorney general, James W. Crabtree for superintendent of public instructions and Henry T. Clarke, Jr., for railway commissioner, have been given hand-some majorities.

Vote on Senator.

If the preferential vote for U. S. senator Gilbert M. Hitchcock has defeated senator Elmer J. Burkett by a majority in the neighborhood of 15,000, Hitchcock carried Douglass county by upwards of 9,000, while Burkett was given only 822 majority in Lancaster.

The total vote is light, and on governor will hardly run above 230,000. With two-thirds of this vote tabulated, including Douglass county and not including Lancaster, where the returns are not yet complete, Aldrich has a lead over Dahlman of 20,000. The precincts of Lancaster county reported give Aldrich 2,200. The vote still to be tabulated will surely increase the lead for Aldrich.

Legislative returns are still incomplete, but it looks as if both houses will be democratic.

To The Public:

I thank you for your support and kind consideration. I have tried to do my duty. I have no excuses to make. I still insist that the only place suitable for a Rum Joint is in the middle of Hell and I have no particular grudge at His Satanic Majesty, the ruler of that domain. My friends! I thank you from the bottom of my heart. Let me assure you I will strive to live right. Sincerity of purpose in man, is for that Being whose law is perfect, and whose judgement does not err, to determine.

Respectfully,

N. T. GADD.

cated in Nebraska.

The publisher of the Republican first formed the acquaintance of Dorr Heffelman in the year of 1874, when he was in the banking business at Grand Island and when we were residing on the Nickelton farm making my home with my sister Mrs. H. T. Coffman, who was nursing a baby at that time for Mrs. Heffelman. After locating in Custer county we again renewed our old acquaintance with Mr. Heffelman, who established a broker business at Westerville and later at Anselmo. Some years ago he gave up his business here and joined his family in California, who with his mother-in-law, Mrs. Smith and brother-in-law, Walter Bacon and wife had preceded him to the western coast. Mr. Heffelman was a brother-in-law of George Thummel, clerk of the United States District Court at Omaha. His family relations were among the best citizens of Grand Island.

A New Apple District.

Competent authorities agree that the Big Horn Basin with its excellent soil and favorable climate con-ditions, will soon become recognized as one of the great apple growing districts of the Northwest. Prof. G. C. Buffum, who for 15 years devoted his time in experimenting in agricultural and horticultural lines while in charge of the state experimental station at Laramie, Wyoming, and Professor Aven Nelson, State Horticulturist of Wyoming, have both given an opinion that the Basin is remarkably well adapted to the development of commercial orchards.

Fruit orchards are now being planted in many localities in the Big Horn Basin, and much land that has in the past been devoted to the raising of wheat, oats, barley, alfalfa, and other hay crops is being planted to apple orchards.
