

The next rehearsal of the Peoples' Choral Union will take place on Tuesday evening, November 15, at 8 o'clock in the parlor of the Grand Central Hotel.

Mr. and Mrs. John Bailey left this week for Falls City where they will spend the winter with their son Rev. R. Cooper Bailey. They will celebrate their Golden wedding on Nov. 18th. We take pleasure in joining their many Custer county friends in congratulations.

A very large, attentive, and appreciative audience greeted the pastor at the Methodist church last Sunday night, indeed the attendance has never been better than of late, for which we thank God, and the people, and take courage. Next Sunday morning the subject will be Working for God; and in the evening: A Birthright Bargained Away. Come and worship with us and we will do you good.

James Dickerson one of Dunning's business men was in Broken Bow last Tuesday and while in the city took advantage of A. E. Anderson's "good goods" and bought himself a handsome gold watch and chain.

The ladies of the Baptist church wish to thank the public for their liberal patronage at their bazaar and dining hall on election day. The ladies are well pleased with the result of their effort.

A financial paper says that sales made by Sears, Roebuck & Co. in September were between 27 and 30 per cent larger than the same month last year. Even larger gains are looked forward to in the interval between now and the holidays. An advertising is responsible for practically all these sales. So don't blame people for not calling to see goods when they don't know what you have to offer. Advertising makes your business and our business better, try it.

Notice of Final Settlement.
 Estate of George Garrison deceased, in County Court of Custer County, Nebraska.
 The State of Nebraska. To all persons interested in said estate, take notice, that H. A. Sherman, administrator of said estate, has filed a final account and report of his administration, and a petition for final settlement and discharge as such which have been set for hearing before said court on November 28th 1910 at 10 o'clock a. m., when you may appear and contest the same.
 Dated November 9, 1910.
 C. H. HOLCOMB,
 County Judge.

Geo. F. Palmer made a business trip to Grand Island and other point in the eastern part of the state this week.

Sixteen young people of the M. B. A. lodge spent a very pleasant evening at the home of L. A. Wells one and one half miles west of Broken Bow last Friday. Games, as the big lumber wagon made the evening seem very short. The "Brotherhood" ladies will give a basket supper and program in the I. O. O. F. hall tomorrow night. Come and bring your basket. Everybody welcome.

Foot Ball Game.
 The Broken Bow and Mason City High School teams met on the Mason City grounds last Friday. The Bow line was weakened by the regular quarter back, half back and end not being able to participate in the game, however the boys done good work. The features of the game were a touch down by Glenn Heller place kick by Hollis King and tackling by Wm. Conrad. Score 6 to 8 in favor of Mason City. Arrangements are being made for a Thanksgiving day game between these teams at Broken Bow.

Railroad Improvement.
 The Burlington has a force of men at work on a new well in the grove east of the depot. They are putting down a fifteen foot well and expect to go about one hundred feet deep. The railroad people have had considerable trouble in securing a water supply of their own in Broken Bow, and it is hoped the work now in progress will be successful.

Another Land Mark Gone.
 The old turn table in the Burlington yard has been torn up and moved to the Lincoln junk pile. Some of our readers will remember with great pride when the first locomotive whistled for Broken Bow and that for many years the table was used to turn engines when this was a terminal for some of the trains, but having served its purpose the table was removed to make room for other improvements.

How They Do It in Kansas.
 A press report from Russell, Kan., says that W. R. Garrett, an apple peddler, recently forfeited his cash appearance bond of \$50 in the city court. He had been charged with violating the weight and measure laws by State Food Inspector John Kleinhans in selling four bushels of apples which were twenty pounds short in weight. The Kansas law requires 48 pounds to the bushel.
 Mr. Garrett was doing business from a car on the track and not having procured a city license, the marshal also collected \$10 for the city.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. L. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.
 Address: F. J. CHENEY & CO., Toledo, Ohio.
 Sold by Druggists. Take Hall's Family Pills for constipation.

CURING CATARRH
Accept Our Advice and Try This Remedy at Our Risk
 Catarrh is a disease of the mucous membrane. The mucous membrane is, one may say, the interior lining of the body. Catarrh therefore may exist in any part of the system. When the catarrhal poison attacks the mucous membrane, inflammation and congestion are produced and nature fails to throw off the accumulated poisons. The organ, which has been afflicted ceases to perform its proper function as nature intended it should. The result is complication upon complication, which may lead to other even more serious afflictions.
 We honestly believe Rexall Mucuo-Tone will do wonders toward overcoming Catarrh. It is made from the prescription of an eminent physician who made a long study of catarrh, and his great success with this remedy was an enviable one.
 We want you if you are a sufferer from catarrh in any form, to give Rexall Mucuo-Tone a thorough trial. Use it with regularity and persistency for a reasonable time, then if you are not satisfied, come back and tell us, and without question or formality we will hand back to you every cent you paid us. This is certainly the fairest offer that any one could make and should attest our sincerity of purpose. It comes in two sizes, prices 50 cents and \$1.00. Remember you can obtain it only at—The Rexall Store. Albert H. Souders.
