Yes, its Governor Aldrich by 25,000.

With Havelock dry and Jim Dahman defeated for governor what will become of West Lincoln?

A promise made should be lived up to but some promises made before election would look bad if carried out.

The state of Missouri remains "damp" by about one hundred thousand, a drouth was rather expected in the "show-me" state.

When wages are \$2.25 and \$2.50 per day for common labor we fail to see any good reason why any one should go around with the "hungry sign out."

The Ord Quiz says on election day "vote first then call the doctor or turn in a fire alarm as occasion might demand." That's all well and good but suppose Bro. Haskell had eaten the green apples would he vote or call the doctor?

What a blessing that it will not be necessary to dig up the capital lawn to sizzle the meat that Jim was to serve. As it is now the people can keep on serving breakfast bacon in the three grain capsules in the capital city and not be overfed by the barbecue plan.

One thing encouraging was notice able in the election this fall and that is the number of people who have been indifferent regarding political matters seems to be materially reduced. It looks like the right of citizenship is beginning to loom up in front of the fellow who was "not dead but sleeping."

The Journal (Hemingford, Neb.) says "accepting defeat gracefully is the highest exhibition of self control" and that we should "rejoice in success but not rub it in." Now if you can think of anything more appropriate at this time drive over with it. The time to scrap is before the fight is declared off, but some men forget the fact that too much noise has already been an injury to the cause.

Lesson for November 20, 1910. Jesus in Gethsemane. Matt. xxvi: 36-56.

Golden Text—The Son of man is betrayed into the hands of sinners. Matt. xxvi: 45.

Verse 36—Where was this garden called Gethsemane?

Why does the word Gethsemane now stand for agony?

What purpose did prayer serve in this sorrowful experience of Jesus?

Verses 37-38—What answer can you make to the criticism which has been made, that Jesus would have shown a stronger character, and more faith, if he had borne this trial without suffering or fear?

Give your reasons and say whether it is possible to develop the strongest character with, or without, great suffering?

Send Your Abstract Orders to

J. G. Leonard, Bonded Abstracter

Office in Security State Bank Building

What is the benefit of human sympathy when we are in great mental trouble?

Describe the cause which gave Jesus such keen suffering?

Why did Jesus select Peter and John, from the rest of the disciples, when he went on to the place of agony?

Verses 39—What "cup" did Jesus pray to be delivered from, the present agony, or the cross, or something else?

Can any person retain the favor of God who is not always in the attitude of soul to say, "not as I will, but as thou wilt?"

Must every true prayer have the condition, "nevertheless not as I will but as thou wilt," or are there some exceptions and, if so, what are they?

Verses 40—Why are we, like Jesus so much hurt, when a confidential friend manifests so little concern in our trouble?

Why were these disciples to blame for going to sleep, and are people to blame who go to sleep in church?

Verses 41—Is it, or not, the fault of the spirit, when the flesh is too weak for a man to do his full duty?

Verses 42-46—Why did Jesus need to ask God three times for the same thing?

What, if any, rule is there concerning the number of times we should pray for the same thing?

Did the disciples miss anything by not staying awake to watch with Jesus, if so, what?

Can a lost opportunity ever be recovered, or is it an eternal loss? Give your reasons. (This question must be answered in writing by members of the club.)

GOOD WORK.

Done Daily in Broken Bow. Many Citizens Tell of It.

Nearly every reader has heard of Dean's Kidney Pills. Their good work in Broken Bow still continues, and our citizens are constantly adding endorsement by public testimony. No better proof of merit can be had than the experience of case:

J. W. Davidson of Broken Bow, Neb., says: "About two years ago I was troubled by a dull heavy ache through the small of my back and this was accompanied by a tired, languid feeling. My kidneys were disordered, as was shown by the unnatural condition of the secretions from these organs and as time passed, my health became all run down. When I chanced to learn about Dean's Kidney Pills, I procured a supply and in a short time after I began their use, there was a marked improvement I continued

taking Dean's Kidney Pills and they helped me so greatly that I consider it my duty to give this public statement in their favor."

A LIBERAL OFFER

We Guarantee to Cure Dyspepsia. If We Fail the Medicine Costs Nothing

To unquestionably prove to the people that indigestion and dyspepsia can be permanently relieved and that Rexall Dyspepsia Tablets will bring about this result, we will furnish the medicine absolutely free if it fails to give satisfaction to any one using it.

The remarkable success of Rexall Dyspepsia Tablets is due to the high degree of scientific skill used in devising their formula as well as to the care exercised in their manufacture, whereby the well known properties of Bismuth-Subnitrate and Pepsin have been combined with Carminatives and other agents.

Bismuth-Subnitrate and Pepsin are constantly employed and recognized by the entire medical profession as invaluable in the treatment of indigestion and dyspepsia.

The Pepsin used in Rexall Dyspepsia Tablets is prepared by a process which develops its greatest efficiency. Pepsin supplies to the digestive apparatus one of the most important elements of the digestive fluid, and without it the digestion and assimilation of food are impossible.

The carminatives possess properties which aid in relieving the disturbances and pain caused by undigested food. This perfect combination of these ingredients makes a remedy invaluable for the complete relief of indigestion and dyspepsia.

We are so certain of this that we urge you to try Rexall Dyspepsia Tablets on our own personal guarantee. Three sizes, 25cents, 50 cents and \$1.00. Remember that you can obtain Rexall Remedies only at—The Rexall Store, Albert H. Souders.
