**MESSINGER STALLION,**  
**CUB.**  
This Stallion, bought of R. Daniels, Short Horn breeder, Omaha, bred by Millard of same place, was sired by OLD MESSENGER CUB, the first horse to lower the record of 2:30 in Michigan. DAM trotted in 2:35. Although never trained, he shows all the signs of speed. Stands 15 1/2 hands high and weighs in condition about 1,200 pounds. He is a perfect horse in every particular, and has not a weak point about him. HIGH HEAD, SPLENDID CARRIAGE, and a PERFECT DRIVER. Full of life, yet perfectly safe and gentle in disposition. POWERFULLY MUSCLED, and an IRON CONSTITUTION. A better put up horse for all purposes cannot be found. Born and reared in the state, and held now for a year in Red Willow County, he is perfectly acclimated, and more than all, he is a SURE breeder, and no one need to fear the loss of a season. Many of his colts are in Omaha, and all show their breeding. Not a poor one among them. THE MESSENGERS stand at the head of all horses, and the opportunity is not often given to breed from them.  
This horse will be held for the summer for a limited number of mares at the ranch on the Republican at mouth of Ash Creek, opposite Red Willow, and if parties desire, their mares will be pastured at reasonable rates until served and service made sure. Pasture of 800 acres, with river front. An experienced man always in attendance. **TERMS, \$10 TO INSURE. Address,**  
**G. L. CLARK, Indianola.**

**"NEW ERA"**  
**STEAM WASHER!**

It will wash the finest laces or the largest quilts without rubbing them, and better than it can be done by hand. It does not wear or injure the goods, and the saving in clothes will pay for the washer in a short time. Clothes washed in it will last more than twice as long as those washed by hand. Actual experience has proved it. No chemicals are used in the water to rot the clothes. The work is done by steam. It will do an ordinary washing in one hour; it takes less water; it bleaches the clothes; it will wash blankets, grain-sacks, carpets or lace curtains. The clothes are in a cylinder and do not come in contact with the dirt after it leaves the fabric, and consequently are not yellowed by lying in the boiling, dirty water. It cannot get out of order, and with ordinary care will last from 10 to 12 years. It is made from the best materials, and is fully warranted to be as represented.
