"NEW ERA"

## STEAM WASHER!

It will wash the finest laces or the largest quilts without rubbing them, and better than it can be done by hand. It does not wear or injure the goods, and the saving in clothes will pay for the washer in a short time. Clothes washed in it will last more than twice as long as those washed by hand. Actual experience has proved it. No chemicals are used in the water to rot the clothes. The work is done by steam. It will do an ordinary washing in one hour; it takes less water; it bleaches the clothes; it will wash blankets, grain-sacks, carpets or lace curtains. The clothes are in a cylinder and do not come in contact with the dirt after it leaves the fabric, and consequently are not yellowed by lying in the boiling, dirty water. It cannot get out of order, and with ordinary care will last from 10 to 15 years. It is made from the best materials, and is fully warranted to be as represented.

STRANGE!

We do not know of any medicine that has gained an equal popularity, in such a short time, for the instant relief of coughs and soreness of the lungs, as Begg's CHERRY COUGH SYRUP. It is mild and pleasant to take and will not injure the most delicate infant. Sample bottles free at S. L. Green's and M. A. Spalding's.

This little paragraph is from the pen of Editor Morgan of the York Republican, who recently made a trip up the Valley as far as Haigler, where he has land:

We got back to York after a trip to the "wild bounding west," on Monday evening. The crops down the Republican Valley are simply magnificent. The finest field of corn we saw, in a ride of four hundred miles, was in Red Willow county, just east of McCook. They have had plenty of rain to make everything grow. Last spring the secretary of the "Three Bar Ranch," in Dundy county sowed timothy on the sod of the river bottom just out from the Republican and they have a fine stand of grass growing. Settlers are rushing in with wonderful rapidity and breaking plows are turning up the sod in all directions.

"By the by," says Geo. A. Broadbent, editor of the Tonganoxie, (Kas.) Mirror, "you can say that the bottle of Chamberlain's Colic Cholera and Diarrhoea Remedy left me by your agent two years ago proved to be the best remedy I ever used. I have no doubt but that it saved my oldest son's life." The above shows conclusively that there is nothing like having the great life preserver at hand at the right time. It is put up in 25 cent 50 cent and \$1 bottles. Sold by M. A. Spalding and B. & M. Pharmacy.

## MESSINGER STALLION, CUB.

This Stallion, bought of R. Daniels, Short Horn breeder, Omaha, bred by Millard of same place, was sired by OLD MESSENGER CUB, the first horse to lower the record of 2:30 in Michigan. DAM trotted in 2:35. Although never trained, he shows all the signs of speed. Stands 15 1/2 hands high and weighs in condition about 1,200 pounds. He is a perfect horse in every particular, and has not a weak point about him. HIGH HEAD, SPLENDID CARRIAGE, and a PERFECT DRIVER. Full of life, yet perfectly safe and gentle in disposition. POWERFULLY MUSCLED, and an IRON CONSTITUTION. A better put up horse for all purposes cannot be found. Born and reared in the state, and held now for a year in Red Willow County, he is perfectly acclimated, and more than all, he is a SURE breeder, and no one need to fear the loss of a season. Many of his colts are in Omaha, and all show their breeding. Not a poor one among them. The MESSENGERS stand at the head of all horses, and the opportunity is not often given to breed from them.

This horse will be held for the summer for a limited number of mares at the ranch on the Republican at mouth of Ash Creek, opposite Red Willow, and if parties desire, their mares will be pastured at reasonable rates until served and service made sure. Pasture of 800 acres, with river front. An experienced man always in attendance. TERMS, \$10 TO INSURE. Address, G. L. CLARK, Indianola.
