OUR FIRST CITY ELECTION.

The first municipal election of McCook, as a city of the second class, occurred on Tuesday, and passed off quietly, although considerable drunkenness prevailed during the day.

VOTERS OF MCCOOK!

As the unanimous choice of the Citizens' Mass Convention, I am a candidate for the office of Mayor. If elected, it shall be my earnest endeavor to discharge my duty fearlessly, and to the best interest of our young city, with which I have been identified since its birth.

Very Respectfully, Your Obedient Servant, I. J. STARBUCK.

Below we give the official vote of Tuesday's election:

FIRST WARD VOTE.

Table listing candidates for Mayor, City Clerk, City Treasurer, Police Judge, City Engineer, and Councilmen for the First Ward.

SECOND WARD VOTE.

Table listing candidates for Mayor, City Clerk, City Treasurer, Police Judge, City Engineer, and Councilmen for the Second Ward.

In the hands of Messrs. H. Trowbridge, J. E. Cochran, G. L. Laws, J. R. Phelan, W. E. Dauchy and T. M. Helm the public school interests of our city cannot fail of being thoroughly sustained and warmly supported.

While the welfare and vital interests of this city, now in its infancy and consequently requiring the greater care and vigilance in the administration of its affairs, will no doubt engage the best efforts of the following councilmen elect: W. W. Palmer and F. D. Hess in the first ward, and S. W. Huddleston and James McEntee in the second ward.

The books and archives of the city will be taken in charge by J. E. Kelley, of Boyle & Kelley, and his reputation as a pains-taking clerk is such as to guarantee effective, careful work in that department of the city's service.

Our present Treasurer, F. L. McCracken, continues in that important office, the duties of which he has carefully and satisfactorily performed in the

past, which is the surest guarantee for the future.

We have reason to expect that the office of Police Judge will be filled by Squire Fisher with firmness, and that his efforts will be on the side of law and order, which will be seconded by every law-abiding citizen in the city.

Although unsuccessful, Mr. Helm can feel proud, and justly so, of the support he received, coming as it did spontaneously from the best element of the city's population.

The effort of the department of agriculture to protect the farmers from swindlers and frauds may be commendable, but it strikes us that it is entirely a superfluous work on the part of the department in view of the fact that newspapers are the first agents to expose frauds of all kinds.

AMONG the officers soon to be retired is: Capt. J. Scott Payne, Fifth cavalry, "the hero of Milk River." Capt. Payne had the distinguished good fortune to escape from the Utes through the assistance of Capt. Dodge's colored troops, who with their glittering sabres carved a way out from the hole in which he was caged.

SECRETARY ENDICOTT and General Sheridan both endorse General Manserson's bill for the removal and rebuilding of Fort Omaha. There is nothing surprising in this. The move is a good one and commends itself to every one.

COUNTY-SEAT ITEMS.

Thos. Colfer, Esq., of McCook, was in our town Monday.

The Gleason Dramatic Co. is billed for 3 nights in our place next week.

Chas. Ashmore took a run down, Wednesday. He reports things as flourishing out west.

Mr. Lawler, of the firm of Lawler and Magner of McCook, was seen on our street, last Thursday.

Miss Carrie Ashmore, who has been employed in the County Treasurer's office, has accepted a position in C. S. Quick's banking house.

Mr. George Papin having disposed of his interest in the business of the former firm of McCartney & Papin is now engaged in the County Clerk's office.

Ex-Judge Ashmore and family are making preparations for their move to the ranch, they will go about May 1. During their absence their house will be occupied by G. W. Hunter and family.

The regular village election took place here at the Court House in Judge Baxter's room, according to programme. The temperance ticket composing Messrs. Crabtree, L. J. Boyer, Eskey, J. D. Welborn and Hetherington was elected by 12 to 15 majority.

A very interesting temperance meeting was held in the M. E. Church, Sunday evening. The audience which completely packed the room was addressed by Miss Saunders, and all of the persons called on for their sentiments expressed themselves in favor of temperance. A movement to organize a good templars lodge secured 87 names for a starter. They meet at the Congregational Church, Wednesday evening, to organize.

Henry N. Copp, the land-lawyer of Washington, has just issued the tenth edition of his Settler's Guide. It is an indispensable book, for all who are, or expect to be, interested in public land. Settlers will save money by purchasing it, and all who expect to take up land should get posted on the several laws under which land can be entered. A chapter, illustrated with numerous cuts, shows how to tell township, section, and quarter-section corners, and explains the system of surveys. It gives Commissioner Spark's orders and several late decisions and instructions, and full information about the homestead, pre-emption, timber culture, desert land, and other laws. The price of the book is only 25 cents.
