For Commissioner, 2d District, STEPHEN BOLLES, of Box Elder.

By the by, it is not a little unusual for a republican to announce his candidacy in a bourbon sheet, subject to the decision of the republican convention?

The boys all over the state seem to be giving the field for Secretary of State over entirely to G. L. LAWS. Or does modesty prevent the mention of other candidates.

THE TRIBUNE was pleased to form the acquaintance of Dr. Knapp of York, the first of the week. The doctor is York county's favorite son for the important office of governor, a position the gentleman is eminently qualified to fill.

ONE of Furnas county's senatorial candidates, Captain J. M. Lee, was taking political pointers in this city, Monday. The Captain continues in the faith that the battle will be his, while Senator Dolan retains a firm hold on matters, and feels confident of the result.

THE smile of the average Trentonite can only be measured by degrees, since the late county convention in Hitchcock. While Strattonites are filled with worm wood and gall over their defeat. One of the prime requirements of the politician is to know how to take defeat gracefully.

F. M. KIMMELL, Secretary. JUDGE COBB of Lincoln would not be objectionable to the majority of the people of the state as Van Wyck's successor in the U. S. Senate. The judge's sound, clear intellect, and straight-forward, many character would make a wholesome change from our present blatant demagogue.

CIRCULAR.

DEPARTMENT OF THE INTERIOR, GENERAL LAND OFFICE, WASHINGTON, D. C., July 26, 1886. REGISTERS AND RECEIVERS, UNITED STATES LAND OFFICES.

GENTLEMEN: Your attention is called to the following act of Congress and instructions thereunder: AN ACT to protect homestead settlers within railway limits and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That all homestead settlers on public lands within the railway limits restricted to less than one hundred and sixty acres of land, who have heretofore made or may hereafter make the additional entry allowed either by the act approved March 3d, 1879, or the act approved July 1st, 1879, after having made final proof of settlement and cultivation under the original entry, shall be entitled to have the lands covered by the additional entry patented without any further cost or proof of settlement and cultivation.

Approved May 6, 1886. 1. The acts of March 3 and July 1, 1879, provide that homestead settlers who make ADDITIONAL or NEW homestead entries under authority thereof, are required to reside upon and cultivate the land embraced in such additional or new entries for at least one year.

2. The present act dispenses with the requirement of residence and cultivation upon and of the tracts embraced in ADDITIONAL entries made under the former acts. Such ADDITIONAL entries can be made only upon tracts "adjoining the land embraced in the original entry."

3. The requirement of residence and cultivation is not dispensed with in respect to NEW entries made under the acts of March 3 and July 1, 1879.

4. In order to entitle a homestead entryman to an additional entry under the act of March 3 or July 1, 1879, and to a patent for such additional entry under this act, his original entry must be a valid, BONA FIDE entry, and the proofs presented in support thereof must be accepted by this Office.

5. You will, therefore, in no case issue a final certificate on the additional entry until you have been advised by this Office that final proof on the original entry has been approved and the additional entry allowed. When so advised you will issue final certificate on the additional entry without cost to the entryman, and forward the same to this Office.

6. Form 4-197, with necessary alterations, may be used for final certificates under this act. Very respectfully, WM. A. J. SPARKS, Commissioner. Approved July 26, 1886. L. Q. C. LAMAR, Secretary. Received August 19, 1886.

CUTTING is out of jail and once more upon his native head. Medina, the Mexican whom he had libeled, having waived his right to a civil suit for damages, the court held that the proceedings were thereby ended, and Cutting was given his freedom. An imprisonment of two months having apparently moderated his temper, he accepted the decree, but not without a little show of bravado in asking a copy of the decree "for future use." This, of course, has reference to a demand for indemnity. Cutting after regaining liberty, went with a number of Americans, including Consul Brigham, to the Casino, where his demonstrations nearly got him into further trouble. Being regarded as an agitator and a dangerous character, he will not be permitted to remain on Mexican soil.—Bee.

LEANDER GERRARD of Columbus, since Senator Paul's virtual downfall, seems to be coming up in the scale of importance as a gubernatorial candidate. Mr. Gerrard is one of the best men in the race, and the people of Nebraska might do far worse in the selection of their candidate for the chief office in their gift. His clean political record is supplemented by a pure character and a clear head.
