In submitting the following considerations to the afflicted, our aim is to place before them information that may save them time and money by informing them of the different health and mineral spring resorts of our country:

Sanitariums and Water Cures may be found at Colorado Springs, Colo. Los Vegas, New Mexico; Hot Springs, Arkansas; Waukesha, Wisconsin; Colfax, Iowa; Battle Creek, Michigan; Cincinnati, Ohio; Southwestern Dakota; a number in New Hampshire, and a few in New York and Pennsylvania—each possessing advantages peculia: to themselves, and worthy of patronage. But these resorts are remote from your homes, requiring time and outlay of means to reach them, while the expense at each is necessarily large.

Our own establishment possesses advantages equal to any of the above, and in some respects superior; while in the matter of expense we can offer inducements surpassing all. The Mineral Water from the Artesian Well of this city. which analysis shows to be equal to the finest mineral water anywhere for bathing and medical purposes, is utilized here for diseases of the kidney and bowels, as well as in diseases of the skin and blood, and chronic irritations and ulcerations of the mucous membranes-for which it cannot be excelled.
