

GROVER, the robustous, and Allen, the ancient, will be the bourbon banner bearers, this fall.

THE twenty-fifth national saengerfest of the North American saengerbund, will meet in St. Louis the 13th.

THE most annoying, irritating thorn in the democratic side is their ownest Sam Randall. And Sam is one of the brainiest men in the party.

THE national democratic convention, as per stipulation, has nominated Cleveland and Thurman and adopted the straddling platform of 1884.

THE state league of republican clubs will hold its adjourned meeting at Lincoln, June 28, for the purpose of ratifying the republican nominations of the 9th inst.

THE TRIBUNE, we are pleased to note incidentally, is utilized by its contemporaries. The Hastings Gazette-Journal of Saturday contains no less than five clippings—but one with credit.

DEARLY beloved brethren of the quill and tripod, what shall we do to be saved. The type foundry's pool has made another call and raised us numerous per cents on materials. Is it a forced put, as usual?

RETURNS from Oregon's election have occasioned a most pronounced depression in bourbon circles. Hermann, republican, is elected to congress by a good majority. The legislature in joint ballot stands republicans, 66; democrats, 24. Senator Dolph will doubtless succeed himself.

EVERY precinct should be thoroughly organized into republican clubs. The club can then work for its party, be ready to answer any call made upon it as an organized body. What are we, and where are we? is the all absorbing question of to-day. Republican voters the harvest is soon to commence, who will gather it in?

THE National Woman's Suffrage Association, while in session at Boston recently, paid respects to the general conference of the M. E. Church for excluding women as lay delegates. It embodied its indignation at the action of the Methodist clergy in a searching set of resolutions, and commended to the prayerful consideration of those watchmen on the walls of Zion the text: "In JESUS CHRIST there is neither male nor female." The keen point of this rebuke is in its entire justice.

THE committees appointed to arrange for a reunion of the Eighteenth regiment, Iowa volunteer infantry, met at Des Moines on May 19 and completed arrangements for a reunion to be held at Chariton, Ia., on August 14, 15 and 16. Hon. J. W. Dolan of Indianola, Neb., was appointed treasurer and Robert Denbow of Albion, Ia., and S. W. Breese of Beatrice, Neb., corresponding secretaries, charged with the duty of notifying all members of the regiment of the proposed reunion and with advertising the same. Committees on music, programme, speakers, etc., were appointed and all steps possible taken to insure a successful meeting of the veterans.

Lincoln Sanitarium

DR. J. RICHARDS, PROP.,

238 SOUTH 11th ST., - - LINCOLN, NEB.

In submitting the following considerations to the afflicted, our aim is to place before them information that may save them time and money by informing them of the different health and mineral spring resorts of our country: Sanitariums and Water Cures may be found at Colorado Springs, Colo., Los Vegas, New Mexico; Hot Springs, Arkansas; Waukesha, Wisconsin; Colfax, Iowa; Battle Creek, Michigan; Cincinnati, Ohio; Southwestern Dakota; a number in New Hampshire, and a few in New York and Pennsylvania—each possessing advantages peculiar to themselves, and worthy of patronage. But these resorts are remote from your homes, requiring time and outlay of means to reach them, while the expense at each is necessarily large.

Our own establishment possesses advantages equal to any of the above, and in some respects superior; while in the matter of expense we can offer inducements surpassing all. The Mineral Water from the Artesian Well of this city, which analysis shows to be equal to the finest mineral water anywhere for bathing and medical purposes, is utilized here for diseases of the kidney and bowels, as well as in diseases of the skin and blood, and chronic irritations and ulcerations of the mucous membranes—for which it cannot be excelled. Every variety of Bath is given, including the TURKISH, RUSSIAN, STEAM, ELECTRIC, (Hot Air, Steam and Water,) SHOWER and SWIMMING BATH. We use all forms of Electricity, generated from the finest batteries and electric machines manufactured. We use the Massage treatment, and will use all the Hygienic appliances and apparatus of the larger institutions. Our Bathing Parlors are 25x100 feet on the first floor; 43 rooms on the second and third floors—all heated with steam. Water in all the rooms, with closets on each floor. We have some very fine rooms, and some cheap ones. We will use every effort to make it home-like for our patrons. For lady patients we have lady attendants and nurses. Our facilities are and will be all that can be desired for the treatment and cure of the sick and afflicted. Those diseases which we can greatly relieve or cure, are Rheumatism, Neuralgia, Paralysis, Liver Troubles, Diseases of the Uterus and Kidneys, Chronic Cystitis, Anemia, Chlorosis, Nervous Prostration, Epilepsia, Syphilis, Dropsy, Scrofulous Diseases, etc. Our terms are reasonable. We only charge for baths and services rendered, from one week to one month in advance. In serious cases we have counsel from experienced physicians. Incurable and offensive patients are not received. Room and board, \$5.50 to \$9.00 per week. Baths and treatment included, \$9.00 to \$18.00 per week. Send or call for pamphlet on diseases cured by Electricity and Electro-Thermal Baths. Address,
