

REPUBLICAN TICKET.

FOR PRESIDENT, BENJAMIN HARRISON, OF INDIANA.

FOR VICE PRESIDENT, LEVI P. MORTON, OF NEW YORK.

FOR MEMBER OF CONGRESS, JAMES LAIRD.

BENJAMIN HARRISON, Levi P. Morton and the platform "are all right."

THREE cheers and a tiger for honest manly Ben Harrison, our next president.

THE first republican gun of a victorious and glorious campaign, to-morrow evening.

THE republicans stand for a free ballot and a fair count; and one of the missions of the republican party will be unfulfilled until that condition of political affairs is come to pass.

MAYOR HEWITT is reported as saying that he would neither vote for Cleveland, make a speech for him, nor spend a dollar in his campaign. And Abram is a wise and influential New York city democrat at that.

ROUSING ratifications of the Chicago nominations are being held all over Nebraska, McCook will cover herself with glory to-morrow night, when the grandest ratification in Western Nebraska will be held.

OF the tribes of Benjamin and Levi, the republican candidates may be considered sure of the "Hebrew children's" support; and with the mantle of Eli gracefully resting upon them they will "get there" with both pedal extremities.

Lincoln Sanitarium

DR. J. RICHARDS, PROP.,

238 SOUTH 11th ST., - - LINCOLN, NEB.

In submitting the following considerations to the afflicted, our aim is to place before them information that may save them time and money by informing them of the different health and mineral spring resorts of our country:

Sanitariums and Water Cures may be found at Colorado Springs, Colo., Los Vegas, New Mexico; Hot Springs, Arkansas; Waukesha, Wisconsin; Colfax, Iowa; Battle Creek, Michigan; Cincinnati, Ohio; Southwestern Dakota; a number in New Hampshire, and a few in New York and Pennsylvania—each possessing advantages peculiar to themselves, and worthy of patronage. But these resorts are remote from your homes, requiring time and outlay of means to reach them, while the expense at each is necessarily large.

Our own establishment possesses advantages equal to any of the above, and in some respects superior; while in the matter of expense we can offer inducements surpassing all. The Mineral Water from the Artesian Well of this city, which analysis shows to be equal to the finest mineral water anywhere for bathing and medical purposes, is utilized here for diseases of the kidney and bowels, as well as in diseases of the skin and blood, and chronic irritations and ulcerations of the mucous membranes—for which it cannot be excelled. Every variety of Bath is given, including the TURKISH, RUSSIAN, STEAM, ELECTRIC, (Hot Air, Steam and Water,) SHOWER and SWIMMING BATH. We use all forms of Electricity, generated from the finest batteries and electric machines manufactured. We use the Massage treatment, and will use all the Hygienic appliances and apparatus of the larger institutions. Our Bathing Parlors are 25x100 feet on the first floor; 43 rooms on the second and third floors—all heated with steam. Water in all the rooms, with closets on each floor. We have some very fine rooms, and some cheap ones. We will use every effort to make it home-like for our patrons. For lady patients we have lady attendants and nurses. Our facilities are and will be all that can be desired for the treatment and cure of the sick and afflicted. Those diseases which we can greatly relieve or cure, are Rheumatism, Neuralgia, Paralysis, Liver Troubles, Diseases of the Uterus and Kidneys, Chronic Cystitis, Anemia, Chlorosis, Nervous Prostration, Epilepsy, Syphilis, Dropsy, Scrofulous Diseases, etc. Our terms are reasonable. We only charge for baths and services rendered, from one week to one month in advance. In serious cases we have counsel from experienced physicians. Incurable and offensive patients are not received. Room and board, \$5.50 to \$9.00 per week. Baths and treatment included, \$9.00 to \$18.00 per week. Send or call for pamphlet on diseases cured by Electricity and Electro-Thermal Baths. Address,

DR. J. RICHARDS.
