Resolved, That the state central committee be instructed to embrace in its call for the next state convention the submission of the prohibition question to the republican voters at the republican primaries.

Therefore, in accordance with the above resolution, the several county central committees are hereby instructed to include in their call for their next county convention the submission of the prohibition question to the republican voters at the republican primaries.

Geo. D. MEIKLEJONS,

WALT. M. SEELY,  
Secretary.

## ANNOUNCEMENTS.

At the solicitation of many leading republicans of the county to become a candidate for re-election to the office of county attorney, I hereby announce myself as a candidate, subject to the choice of the republican county convention.

E. M. SHAWLEY.

The prohibition party is the only party which, since the necessity arose, has voted down a resolution, offered as a plank of its national platform, declaring for just pensions to ex-soldiers and sailors. How the great chorus of "noes" as it rang from the throats of a majority of the delegates must have grated on the ears of the soldier boys present. With what a feeling of shame must the gallant Gen. Fisk have looked upon the throng as it vehemently protested against the adoption of this resolution.

NEBRASKANS would heave a sigh of relief, and perhaps tender a vote of thanks, if the people of Lincoln would soberly proceed to secure an abundant supply of aqua pura and thus shut off the nonsensical rot now daily emanating from their daily press concerning the saline properties of their village water. Waltarius Masonius is becoming unbearably wearisome on that score. "The salt has lost its savor," in other words, has become "rocky," and is now only fit "to be cast out and trodden under foot of men."

It is just a little amusing and a trifle suggestive to see a crowd of philosophers resting their tired frames on a dry goods box, discussing the tariff and the need of protection of their interests. If men had to pay as a direct tax what idleness and shiftlessness cost, the howls of indignation protest that would arise would appeal a Comanche Indian. Undoubtedly those who howl the loudest about their "interests" have the least to fuss about. The farmers need a few good champions, but not of the alligator type—all mouth.

## PERSONALS.

M. J. Abbott, county judge of Hayes, spent Monday in the metropolis on business.

Charlie Paine is in the old traces again, measuring lumber in W. C. Bullard & Co.'s yard here.

J. C. Anderson and family returned, Sunday, from a visit of two or three weeks to friends at Red Cloud.

W. C. Bullard was out of town, the first of the week, visiting his various lumber yards in a business capacity.

Manager Brown of the Howard spent most of last week at Bartley looking after the company's yard there.

Mrs. J. E. Ganschow is entertaining her brother, Charles Wheaton, who arrived from Danvers, Ill., last week.

Judge H. W. Keyes of the county-seat was among the Indiana delegation at the ratification, Saturday evening.

Mrs. J. C. Allen and son returned home on the flyer, Tuesday afternoon, from their extended visit to relatives in the east.

Oliver Kimmel, daughter of Rev. and Mrs. J. W. Kimmel, has been very ill for several days with inflammation of the bowels.

Miss Etta Smith of San Diego, Cal., is visiting in the city, guest of her uncle, Carl Clark, and family. She will remain some time.

E. E. Lowman was laid up, the first of the week, with a case of poisoning, received on the Driftwood, Sunday. This is the second experience E. E. has had.

Mr. C. B. Moore and Misses Dora and Grace Moore of Alma, father and sisters of Mrs. L. H. Gray arrived in the city, Tuesday, and remained until the fourth.

R. C. Fisher arrived in the city, Sunday, to close up some business matters here. He is now traveling for a Quincy, Ill., house. His many friends were pleased to greet him.

Frank Keller, who has been clerking for McMillen & Weeks for a number of months past, left on Monday evening, for Hastings where he will spend a month or so previous to going to Chicago, to finish his course in veterinary.

Mr. Ambrose Beck of the Bartley Inter-Ocean made us the customary pleasant and fraternal call, Monday. He was in the metropolis on business. Being his first visit he was of course agitated by two primal sensations—surprise and delight.

Mr. Stern was up from Holdrege, Monday, closing up the preliminaries of his new brick building to be erected on the lot south of Tax Turner's office. Work has been somewhat delayed by the stone contractor's dilatoriness in delivering the stone for the structure.

Mr. and Mrs. N. Z. Snell of Lincoln arrived in the city, Tuesday, remaining here the guests of Dr. and Mrs. B. B. Davis until Thursday, when they continued their journey California-ward. Mr. Snell is junior partner of the well known law firm of Sawyer & Snell, and is an old schoolmate of the doctor's, they having been University students together.

Master Mechanic Archibald indulged in a trip to the mountains, Sunday.

A complete locomotive was built in the Pennsylvania railroad shops at Altoona, Penn., recently, in twenty-four hours.

Supt. Phelan of the high line spent Sunday in the city visiting his family, coming down from Holyoke on Saturday afternoon and returning to his post of duty on Monday evening.

Conductor S. E. Harvey has commenced the erection of a residence in the northeastern part of town. Messrs. Charlie Scott and W. O. Sorval are doing the work. It will be in keeping with the rest of McCook's homes.

It is reported that Black Hawk county has an empty jail at La Porte for sale. But it would not be surprising if several counties in Iowa were with empty jails on their hands wanting to get rid of them as useless property. The enforcement of prohibition is the explanation of the empty jails. The people of Iowa have come to the conclusion that it is a good deal better and a good deal cheaper to have empty jails without saloons than crowded jails with them. Under the old system placard "for sale" used to be put up over the workman's shop, his store or his little home. But since the saloons were closed the placard has come down and now it hangs over the empty jail. Iowa believes in closing saloons, buying school houses and selling jails.

NOBILITY leads to noble conduct. With this motto I would summon you to a life inspired with the noblest aims and brightened with the most glorious hopes. I would call you to seek a manhood without fear because without reproach. Let your lives be as pure as the serenity of the individual consciousness in the blaze of watchful eyes. Enshrine purity in your consciences and heart, transforming your entire life. Let your soul be as sensitive to the touch of sin as honor to the approach of shame. This will exalt your life with such nobility and crown you with such glory that whoever comes into your presence will feel, "there stands a man."

Again, if you would attain to true manhood you must have the courage to stand by your own convictions of truth and duty.—Wm. Lloyd.

THREE hundred thousand boxes of fire crackers were imported from China and Japan to do duty Wednesday in giving the American eagle a proper send off. It is somewhat singular that Yankee ingenuity has not yet conquered the secret of a good, serviceable firecracker. It seems to be an engine of war that cannot be produced cheaply by machinery and only the frugal Chinaman or his cousin in Japan appears to be equal to turning them off at the retail cost of 5 cents a pack or half a dozen for a quarter. These 300,000 boxes cost us over \$600,000, wholesale, and the boys and girls of the country have invested somewhere in the neighborhood of a million dollars in the heathen contrivance for making a racket. Independence comes a little high.

# Lincoln Sanitarium

DR. J. RICHARDS, PROP.,

238 SOUTH 11th ST., - - LINCOLN, NEB.

In submitting the following considerations to the afflicted, our aim is to place before them information that may save them time and money by informing them of the different health and mineral spring resorts of our country:

Sanitariums and Water Cures may be found at Colorado Springs, Colo.; Los Vegas, New Mexico; Hot Springs, Arkansas; Waukesha, Wisconsin; Colfax, Iowa; Battle Creek, Michigan; Cincinnati, Ohio; Southwestern Dakota; a number in New Hampshire, and a few in New York and Pennsylvania—each possessing advantages peculiar to themselves, and worthy of patronage. But these resorts are remote from your homes, requiring time and outlay of means to reach them, while the expense at each is necessarily large.

Our own establishment possesses advantages equal to any of the above, and in some respects superior; while in the matter of expense we can offer inducements surpassing all. The Mineral Water from the Artesian Well of this city, which analysis shows to be equal to the finest mineral water anywhere for bathing and medical purposes, is utilized here for diseases of the kidney and bowels, as well as in diseases of the skin and blood, and chronic irritations and ulcerations of the mucous membranes—for which it cannot be excelled. Every variety of Bath is given, including the TURKISH, RUSSIAN, STEAM, ELECTRIC, (Hot Air, Steam and Water,) SHOWER and SWIMMING BATH. We use all forms of Electricity, generated from the finest batteries and electric machines manufactured. We use the Massage treatment, and will use all the Hygienic appliances and apparatus of the larger institutions. Our Bathing Parlors are 25x100 feet on the first floor; 43 rooms on the second and third floors—all heated with steam. Water in all the rooms, with closets on each floor. We have some very fine rooms, and some cheap ones. We will use every effort to make it home-like for our patrons. For lady patients we have lady attendants and nurses. Our facilities are and will be all that can be desired for the treatment and cure of the sick and afflicted. Those diseases which we can greatly relieve or cure, are Rheumatism, Neuralgia, Paralysis, Liver Troubles, Diseases of the Uterus and Kidneys, Chronic Cystitis, Anemia, Chlorosis, Nervous Prostration, Epilepsia, Syphilis, Dropsy, Scrofulous Diseases, etc. Our terms are reasonable. We only charge for baths and services rendered, from one week to one month in advance. In serious cases we have counsel from experienced physicians. Incurable and offensive patients are not received. Room and board, \$5.50 to \$9.00 per week. Baths and treatment included, \$9.00 to \$18.00 per week. Send or call for pamphlet on diseases cured by Electricity and Electro-Thermal Baths.

Address,
