The outstart had the appearance of a wind brought forth, there can be no dehvertime friend, Mr. R. C. Hummond, of Peters' waik-away for the home club, but as the game ance. He is a man of destiny, and is destined

throughout the county are taking an interest party of, 52 to, 60 when pork was worth \$1.1 in the fair and that the exhibit of farm products will be not only the largest but the best 25 cents per gallon. The passage of the Mills bill would soon bring about the same result. it would seem that this party had returned to power to punish loyalty and patriotism, and to reward treason and rebellion. Hear them ver Slope, Banksville and Dodge Sabbath soliloquizing: We have appointed rebels to schools will be held at Cedar Bluffs on the 1st the best and most important foreign missions. and the people complain; we have removed

from the civil service, thousands of the maimwhich there was a small attendance, and the ing, from a health-restoring visit to Manitou dition and prospect of the crops. While the ed and crippled Union soldiers, and filled their and the mountains, much improved in health, bail has filled many hearts with discourage- places with Copperheads, Ku Klux and Con ment, yet every husbandman will not remain federates, and the people remonstrate. We have placed unreconstructed rebels on the su-

preme bench, and the loyal people object. We issued orders for the return of certain captured flags, and the people howled. We have vetoed numerous pension bills, and our well meant efforts to serve the party, have been unkindly received by the people. "Surely we have labored and been in pain for this people day in the city, looking after the school house, (Prayer meeting and Bible reading combined.) We have brought forth wind. Yet, we have not wrought any deliverance in the earth, neither have the inhabitants of the world fallen." This democratic administration has broken every pledge made four years ago. Their civilservice promises have been disregarded and we have seen the most sweeping changes of officers in our history. In financial affairs

they have made a feeble imitation of republican example. They have not been able, how-

George Laverty, the B. & M. claim agent, has ever, to formulate a single proposition on which the whole democratic party can stand. By tinkering with the tariff-which it would seem they know nothing about-they are trying to break down the financial system-bulh up by republicans, but they can hardly do it. The inhabitants had fallen, under the reign of Pierce and Buchanan. The republicans coring into power rescued the nation from finacial distress and humiliation, and will to pre-

vent a repetition of a like disaster which would unquestionably follow should the free trade system be adopted. Before the war, the denocratic tariff policy had brought the country to a condition in which it had not a factory to

make a gun and hardly a mill to make shirting & M., Sunday next, Some quite important and clothing for its soldiers. The republicar changes, we understand, will be made in the policy has made the country quite self-arming self-furnishing and self-supporting and had

The axe has again fallen and the heads of accumulated a large surplus. Democracy Conductors Ryan, Stuby and Wilkinson, on said put us in power, we will take the tax buron the increase, "Yet we have been in pain

and have brought no relief to the inhabitants," Look at the unheard of fustion and red tape to which the homesteader is subjected. Look at lacked adequate surface drainage. The one the deranged mail service, and say whether or proposed is expected to fill the requirements. not we have "brought any deliverance to the inhabitants." The platform on which the president goes to the country, is simply to keep the duties on what we grow and take them off of articles that came in competition with our products. And this is the way he proposes to dispose of the surplus revenue.

His congress will leave off where it began, The company loaded the coal house, recently without any settled policy it dares maintain built just west of the depot, on a flat car, yes upon the questions that so deeply and directly terday, and meyed it east of the eating house, effect the industries of the country, will go on leaving the space west of the depot vacant as still declaring that duty is a tax and adds so far west as the ice houses. This space will be much to the price of the goods, exhibiting occupied by side tracks and the new freight depot. much to the price of the goods, exhibiting thereby a low grade of ignorance that could harely be accredited to the Digger Indian. Simply "being in pain" will not bring "deliver-

ance to the people." The insincerity and fee-
