

# The Only Store

OF ITS KIND

## IN THE WEST.

THE only place where you can find what you want in our line.

THE only place that sells goods on their merit.

WE make our own prices. We sell at a profit.

WE have bargains in surplus stock. We guarantee every article as represented.

WE are establishing a trade for the hereafter, not only for today and to-morrow, but for years to come, by conducting our business in a straight, legitimate manner, giving full value, dollar for dollar, and backing up just what we say.

WE have one of Dr. King's celebrated Optometer's and can fit your eyes with spectacles correctly.

WE charge nothing for piercing ears with a new painless process,—its very funny; makes any one laugh.

WE are having a big sale on Gold Watches, which we sell same price as silver.

It will be impossible to describe all we have for sale, so drop in and examine yourself that there is no place like it on earth.

## 1888. -- Fall Season. -- 1889.

The fact that my efforts in the past to produce none but of the highest standard of excellence have been appreciated by friends and customers, as shown by my large and rapidly increasing business, has encouraged me to still greater exertions for the Fall and Winter season.

### SOUTH SIDE.

A splendid rain, last Wednesday night, and quite a hail storm with it.

There was quite an attendance at the meetings held in Frederick's school house, the past week.

Mr. and Mrs. W. T. Stone went up on the Melleise, last week, on a visit. Mrs. S. will probably make an extended stay.

The republican club of Valley Grange held their regular meeting, last Friday evening, nine new members being added to the club. All who have the good of the country and party at heart should come forward and join us. In union is strength.

C. H. Jacobs was aroused by the barking of his dog, one night last week, and after some investigation, discovered something on a tree that did not have the appearance of having grown there. Bringing his gun to bear on the object and firing, a large snake reared its head, and in a few moments, the operation, still another one came tumbling down. The following night, a snake fell a victim to C. H.'s unerring blunderbuss. CNO.

Chamberlain's Colic, Cholera and Diarrhoea Remedy was used with the greatest success during our epidemic of Bloody Flux. I do not know of a case that was lost. This remedy was used. One of my friends, about six miles from here, had a child that was given up by the two doctors who attended it. He then used Chamberlain's Colic, Cholera and Diarrhoea Remedy, and the child recovered. All who have used it speak of it in the highest terms. Wishing you abundant success for the good you are doing, I am, Very Truly Yours,—P. E. LAVENDER, P. M., Chestnut, Amherst, Co., Va. Sold by all druggists.

### A Card of Thanks.

The following is from the Master Workman of the Capital City Lodge, No. 80, A. O. U. W., and explains itself very nicely:  
LINDCOLN, NEB., Sept. 22, 1888.  
M. W. McCOOK LODGE, No. 31, McCOOK, NEBRASKA.

DEAR SIR AND BROTHER: In behalf of Capital City Lodge, No. 80, I wish to extend to your self and members of your lodge our sincerest thanks for the manner in which you looked after our late Bro. Brown and the many kind attentions which you paid him.

The charity which you have extended to him has been of that quality taught in our obligation and will ever be a lesson to our members to care for the stranger within our gates and to always lend a helping hand to a Brother in distress.

I am very sorry indeed that your message announcing the death of Bro. Brown came too late for any of our members to be present at the funeral, as we would have been but for the swiftness of our city telegraphic delivery.

The beneficiary of Bro. Brown will probably be paid to his sister to-day.

Again thanking you for the many kindnesses which you and the members of your lodge have shown our late Bro. Brown, I remain,  
Yours in C. H. & B.  
W. S. HOESEWORTH.

### Their Business Booming.

Probably no one thing has caused such a general revival of trade at A. McMillen's drug store as their giving away to their customers of many free trial bottles of Dr. King's New Discovery for Consumption. Their trade is simply enormous in this very valuable article from the fact that it always cures and never disappoints. Coughs, colds, asthma, bronchitis, croup and all throat and lung diseases quickly cured. You can test it before buying by getting a trial bottle free, large size \$1. Every bottle warranted.

### BOX ELDER BERRIES.

Quite a severe wind and rain storm passed over this section, on Wednesday evening last, which lodged the corn and sorghum down badly.

We learn that Rev. E. L. Hutchens has been appointed to the Box Elder charge. Success attend him.

The supper given on Thursday evening last, by the ladies of the B. E. church, was a decided success, both socially and financially. They netted \$24.40.

The following is the Box Elder precinct Republican ticket: For assessor, Geo. Barrett; constables, R. E. Moore and S. O. Houghton; road overseer, district No. 7, T. Pinkerton; district No. 6, R. A. Loomis; district No. 31, Wm. Taylor; for judges of election, N. J. Chrysler, E. A. Sexton, R. E. Moore; clerks of election, J. H. Teas, Chas. Masters. BREVIS.

Ague can not be permanently cured until the system has been thoroughly cleansed of all morbid matter. Quinine and other febrifuges, will check it temporarily but it is sure to return unless the system has been cleansed. For this purpose there is nothing better than St. Patrick's Pills. They not only physic, but thoroughly cleanse the entire system and will, in most cases, prevent ague and like malarial diseases if used as soon as the first symptoms appear. Sold by all druggists.

### BANKSVILLE and VICINITY.

Mr. John Miller is working at N. Bartles.

The rain, Wednesday night, was welcomed by all.

Mr. S. Tuttle's son is visiting him from Nance county.

Nehemiah Bartless is visiting in New York, for his health.

The dance at W. H. Benjamin's, Friday night, was well attended.

Bass Ball—Ridge vs. Danbury, Saturday, Sept. 22. Danbury three tallies ahead.

Mollie Ellis is working at McCook. We suppose Jimmy is glad. He won't have the old folks to bother him. Hey, Jim?

W. H. Benjamin was unfortunate enough to lose a colt, Sunday night. One of his horses got loose and caused its death. CROCKERS JIM.

### For First Place.

A great amount of political engineering will be done by friends of candidates to secure for their man the first place on the ticket, and the best man will probably secure the coveted place. Then if endorsed by the people, the election is assured. Electric Bitters has been put to the front, its merits passed upon, has been endorsed, and unanimously given the first place, among remedies peculiarly adapted to the relief and cure of all Diseases of kidneys, liver and stomach. Electric Bitters, being guaranteed, is a safe investment. Price, 50 cents and \$1 per bottle at A. McMillen's drug store.

### GENERAL ITEMS.

The county fair is a topic of serious consideration with many of our farmers. Let us try to make our fair a success, and more, let us try to place an exhibition in the National Museum, where space has been allowed for Red Willow county.

Our holiness friends do not believe in Sabbath schools, and do their utmost to discourage them wherever they can.

Political speeches are in order, but the democratic standard begins to be lowered highest. There is too much of the aristocratic spirit in the democratic party to suit the times.

W. F. Thomson has packed his household goods, and in a few days will go to Harnonia, Dakota, where he has bought a large flouring mill.

Mr. Givins, the manager of the Howard Lumber Company yard at this place, is sick with typhoid fever.

Rev. G. M. Boswell preached his first sermon for this conference year, last Sunday morning to a large and attentive audience, who were apparently well pleased with his discourse.

### MORRISTOWN, TENN., July 4, 1888.

The Swift Specific Co., Atlanta, Ga.: Gentlemen—Five years ago I was so unfortunate as to contract an extremely bad case of blood poison. My bones ached and my muscles began to swell and contract. I was under treatment of the physician from the inception of the disease until I found that he could do me no good. Then, through the advice of a friend, I began taking S. S. S. Your medicine seemed to have an immediate effect. I took six bottles, and to-day am sound and well. That was two or three years ago, but I have seen no evidence of the return of the disease, and I take this opportunity to thank you for what it has done for me. It saved my life. You can refer any one to me. R. M. WALL.

### FARMERSVILLE, TENN., June 22, 1883.

The Swift Specific Co., Atlanta, Ga.: Gentlemen—The mother of a member of our firm was afflicted with a cancerous sore on her face for about twenty years. Should it break out again, will advise you. Very truly,

## "A Great Newspaper."

Under the above caption the *New York Graphic*, some three years ago, published a critical review of the growth of THE CHICAGO DAILY NEWS, which sets forth so clearly some of the fundamental principles underlying the development of one of the phenomenal successes of later years that it will well repay a reading. To bring some of the *Graphic's* figures down to the present date, supplemental statements are parenthetically added by the present writer.

"THE newspaper entitled to the distinction of having the largest daily circulation in America is THE CHICAGO DAILY NEWS. (Since this statement was made it is possible that the growth of the *New York World* entitles it to first place.) THE *Graphic* to-day devotes a page to sketches of scenes in and about its establishment. The history of this paper is probably without a parallel in the annals of American journalism. It was founded December 20th, 1875, and was the first low-priced daily successfully established in the West. At the end of its first year it had achieved a circulation of about 10,000. From that time on its growth has been remarkable. It now prints seven editions daily, comprising both morning and evening issues. Its statement of circulation for the year 1884 shows a daily average of 125,178 copies, unquestionably the largest daily circulation on the American continent. (The sworn statement for 1887 shows a daily average of 165,376.)

"In politics THE DAILY NEWS is always independent, never neutral. While its editorial expression is sometimes vigorous to the degree of severity, there is always in its utterances of opinion so manifest a purpose to be impartial and fair to all opposing interests, that it rarely loses the confidence of the reader, however much it may fail to bring him to an acceptance of its own view concerning the matter in hand.

"As a newspaper proper, THE DAILY NEWS has earned a reputation for enterprising news-gathering second to none in the United States. It is the only cheap paper in the West that is a member of the Associated Press. It gives its readers all the news worth giving and gives it for two cents. (Now it does it for one cent a day.)

"Aside from its own deserving merits as a complete and cheap newspaper, it is doubtless

It seems hardly possible that an endorsement of merit could be framed in stronger terms than the foregoing analysis, and yet how much greater is not the achievement now that such a journal as THE DAILY NEWS is placed in every man's hands at the reduced price of ONE CENT A DAY.

The truly marvellous enterprise of American journalism can hardly go further. Certain it is that THE DAILY NEWS leads the van. THE CHICAGO DAILY NEWS is sold by all newsdealers at One Cent per copy, or it will be mailed, postage paid, for \$3.00 per year, or 25 cents per month. The attention of farmers is especially called to the fact that this metropolitan daily now costs but little more than the old time weekly. The shrewd farmer will now have his daily market reports.
