**THE COWBOY KNOWS!**  
  
THE COWBOY KNOWS!  
Trying to hold a drove of cattle together in a frenzied rain means an amount of exposure which few can withstand without serious results. If sickness does not follow, it will be found that such hardship usually brings on rheumatism and similar complaints. At such times a "Fish Brand Slicker" is worth its weight in gold, and is invaluable to any one exposed to stormy weather. For all saddle uses, you want a Pommel Slicker, which keeps the entire saddle, pommel, and cantle dry, and completely envelopes the rider from head to foot. He can't get wet, whatever the weather. And, besides keeping him dry, it keeps him warm. Every range rider has one. Why shouldn't you? Beware of worthless imitations; every garment stamped with "Fish Brand" Trade Mark. Don't accept any inferior coat when you can have the "Fish Brand Slicker" delivered without extra cost. Particulars and illustrated catalogue free.

If you are all run down—have no strength—no energy, and feel very tired all the time—take Dr. J. H. McLean's Sarsaparilla. It will impart strength and vitality to your system.
