WIDE-AWAKE TRADESMEN

BEGINNING FOR A SLICKER
Have learned by experience that the only waterproof coat they can sell to a cowboy or hunter is the Fommel Slicker with the "Fish Brand" Trade Mark on it. They are the best waterproof saddle coats ever made. They keep the saddle, the horse's back, and the rider thoroughly dry and warm. No saddle sores from the galling of a wet saddle. When used as a walking coat, the expansion front buttons back, and the Slicker is changed at once to an ordinary coat. Just try one, they cost but little and will prevent colds, fevers, rheumatism, and other results to exposure to the weather. Beware of worthless imitations, every garment stamped with "Fish Brand" Trade Mark. Don't accept any inferior coat when you can have the "Fish Brand Slicker" delivered without extra cost. Particulars and illustrated catalogues free.
