VAILTON VOICES.

Cold weather gives warning.

Harlan will go to Washington beyond doubt. Mrs. Fred Burton spent last week at her old

Jennings will get a hearty support for county attorney. His ability and record are unquestioned.

Chas. Pate was back, last week, looking af ter real estate matters. He reports all well at the Colorado mines, where he is interested. Considerable political interest is manifested

in our midst. The views taken are of a reasonable nature and good feeling is uppermost. Mr. Adams, of Hitchcock Co., independent candidate for county attorney, addressed our citizens on the issues of the present time, last

We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and never handled remedies that sell as well, or have given such universal satisfac tion. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not COMMERCIAL, follow their use. These remedies have won their great popularity purely on their merits. A. MCMILLEN, Druggist.

Grant precinct caucus was almost a failure as most of the electors were at McCook, Saturday, the day the union caucus was called or, but there were enough present for the offices by some taking two. The others ought to have been there if they wanted office.

Vote for Farmer Ellis if you want a farmer representative; J. Byron Jennings if you want law questions rendered according to the code in county local questions; Richard Johnston and G.W. Bartlett for commissioners that we may have a good board of commissioners to do justice to the county and they will save the county much unnecessary taxes.

NOVEMBER.

Now the cold winds rattle In the icy sedge,

And the sparrows ruffle In the leafless hedge,

Past the wood and meadow,

On the frozen pool All the boys go skating,

When they come from school. The river too was frozen;

I saw it far away, And wished that I could trace it,

Skating night and day.

Up to where the ice-bergs, On the polar sea,

Float, like glittering castles, Waiting there for me.
