NOTES FROM THE NORTH EAST.

State Organizer of Granges Vandervort attended Dry Creek Grange No. 23, November 5th, and made many valuable suggestions and gave an interesting address.

Linley Grissell of Bartley shot four rabbits in a short time, Saturday. From the reports of gun shots we hear around us we infer that Nimrod is abroad in the land pretty extensively.

The wolf hunt northwest of Bartley on Saturday was not as largely patronized as was anticipated, though J. Q. Teter and Mr. Huntwork came out with their fine pack of hounds. Mr. Teter was lucky enough to take home two fine wolf hides as he also took in one a few days previous.

On Thursday of last week, a party of Indianola ladies consisting of Mrs. C. S. Quick, Mrs. Judge Ashmore, Mrs. A. Teal, Mrs. J. A. Sheridan, Mrs. H. W. Keyes and Mrs. Dr. Eskey, members of the W. C. T. U., visited the Bartley union held at the residence of Mrs. Scurr, Mrs. H. M. Blackfan of Dry Creek also attended the meeting. The occasion was one of mutual benefit and social enjoyment.

BANKVILLE BUDGET.

James Hill's family are on the sick list yet.

D. B. Barnes has gone to Iowa on an extended visit, leaving the 6th inst.

The first snow storm of the season started Friday evening of the 7th inst and continued through the night, falling to the depth of not less than three inches.

When the republican leaven begins to work the feature of discontent will be changed to joy and the republicans will then reap their reward, when the people of all trades are benefitted.

The republicans of Grant precinct on the whole ticket are ready to take their crow and wait for better game, which they are sanguine of overtaking, but the precinct went 16 republican to 15 opposition, 12 independent and three democratic, making one majority over all.

Remarkable Rescue.

Mrs. Michael Curtin, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking ten bottles found herself sound and well, now does her own housework and is as well as she ever was. Free trial bottles of this great discovery at A. McMillen's drug store. Regular sizes 50 cents and \$1.00.

SOUTH SIDE SAUCE.

Henry Eaton expects soon to move to the Willow.

John Sutton entertained friends from Frontier county, last week.

Mr. and Mrs. D. E. Eikenberry have taken up their abode in the city.

The muddy roads are entirely satisfactory to the farming community.

Prairie chicken and rabbit hunting have been popular sport, the past week.

Mrs. D. H. Babbitt returned, last Wednesday, from an extended visit in the east, much to Frank's joy. UNO.
