The reclining chair cars now being run on  
 the Burlington are the finest that can be de-  
 vised.

Roadmaster Josselyn of Orleans was at  
 headquarters, pay-day, which was Wednes-  
 day.

Railway fares for first-class travel in Eng-  
 land are much higher than in America; for  
 second class about the same, for third-class  
 much lower.

"Railroad construction in Colorado," says  
 the Kearney Hub, "is seriously hindered at  
 present on account of the scarcity of laborers  
 in that part of the country."

Monday night, George Beebe, the night  
 yardman, met with an accident which will  
 incapacitate him for work for some time.

While in the discharge of his duties, his left  
 hand was caught between two bumpers and  
 badly mashed. It is thought, however, that  
 no permanent deformity will result; but it  
 was a narrow escape for that hand.

Referring to a statement that an eastern  
 road is considering the question of putting a  
 third man on its engines for the purpose of  
 keeping a lookout, The Western Railway  
 says: "If a fireman has much work to do  
 about a furnace door he is no earthly good as  
 a lookout. The heat and light of a furnace  
 renders one's eyes useless for several seconds  
 after having looked into the fire box."

 An employe of the Pullman company has  
 invented an electrical air brake, which is so  
 constructed that the air chambers can be re-  
 charged whether the brake is in operation or  
 not.

### NOTES FROM THE NORTH EAST.

The people are active in organizing relief  
 associations.

Mercury marked zero and below Sunday  
 morning. That was hard on the thin clad peo-  
 ple and scant feed live stock.

O. Frost and J. W. Dolan came back from  
 Omaha and Lincoln, Sunday. They report  
 active operations among the officers of the  
 state relief association.

An enterprising tyro of one of our villages  
 was so eager for news items that he climbed  
 to a house-top to ascertain the locality of a  
 prairie fire in an adjacent county. The fire  
 did no damage, but on descending an unobser-  
 ved nail attacked the youth in the rear and the  
 damage was so great that the tyro's father  
 was obliged to forward an extra pair of pants.

#### Facts Worth Knowing.

In all diseases of the nasal mucous mem-  
 brane the remedy used must be non-irritating.  
 The medical profession has been slow to learn  
 this. Nothing satisfactory can be accomplish-  
 ed with douches, snuffs, powders or syringes  
 because they are all irritating, do not thor-  
 oughly reach the affected surfaces and  
 should be abandoned as worse than failures.  
 A multitude of persons who had for years  
 borne all the worry and pain that catarrh  
 can inflict testify to radical cures wrought by  
 Ely's Cream Balm.

#### SOUTH SIDE SAUCE.

Jack Hannan is about to go east.  
 Chad Shears is building a new horse barn.  
 W. T. Stone sold some fine porkers, last  
 week.  
 Geo. Schwerdt is fencing a part of his farm  
 for pasture.  
 Chas. Welok was out to his south side farm,  
 last Saturday.
