WILCOX & FOWLER.

A REAL LUXURY!

Looking out over the many homes of this country, we see thousands of women wearing away their lives in household drudgery that might be materially lessened by the use of a few cakes of SAPOLIO. If an hour is saved each time a cake is used, if one less wrinkle gathers upon the face because the toil is lightened, she must be a foolish woman who would grudge the few cents which it costs.

If your grocer sends you anything in place of SAPOLIO, send it back and insist upon having just what you ordered. SAPOLIO always gives satisfaction. On floors, tables, and painted work it acts like a charm. For scouring pots, pans, and metals it has no equal. Everything shines after it, and even the children delight in using it in their attempts to help around the house.

Grocers often substitute cheap goods for SAPOLIO to make a better profit. Send back such articles and insist on having just what you ordered.

BOX ELDER REVIEW.

April showers are gratefully accepted. A. W. Campbell and Dan Doyle are both planting corn.

Miss Clara Pinkerton has been suffering from a relapse of la grippe.

Rev. Jacob (O, how!) Long preached at Box Elder, one week ago Sunday.

The farmers have nearly all finished putting in wheat. Charles Masters says he has sown nearly 100 acres.

Mr. Anderson who rented N. J. Chrysler's place has just moved in. We wish him success in farming.

If the latter rains are as plentiful as the early the farmers may expect an abundant crop of small grain.

The soil of Red Willow county was never in better condition to receive small grain than it has been this spring.

Mr. Campbell says he likes to have stumps in the field. We suppose they make handy seats when a man gets tired.

The desert should blossom as the rose this year. The young ladies of Box Elder have all received packages of flowers.

Judging from packages in the mail, this week, the Agricultural Department evidently think this a good country for turnips and beets.

Wheat sowing is nearly completed.

About half the amount of small grain will be sown this season that was sown last.

E. A. Sexson will plant fourteen thousand ash trees on his timber claim, this season.

Several farmers in this neighborhood will sow flax on account of the scarcity of seed wheat.

Sammy Bolles was inquiring after yearling and spring calves, last week. There seems to be quite a demand for that kind of stock this spring.

The Rev. Roberts, so we are informed, will preach at the Ball school house on Sunday afternoons, this summer. Will also organize a Sabbath school.

Stephen Bolles will sow considerable alfalfa on the low land of the Willow. Several that have sown on the divide say that it stood the drouth well and they have a fair stand left.

Merit Wins.

We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their popularity purely on their merits. A. McMillen, Druggist.

SOUTH SIDE SAUCE.

W. N. Cratty left for Lincoln, Sunday night. Joe Schmidt hops around on one foot now-a-day. It's a boy.

Wonder if we couldn't get Meeker to till the barsted country.

Mr. J. R. McFaul's family have moved onto their south side farm, recently purchased of S. W. Sellers. Use.

A Safe Investment.

Is one which is guaranteed to bring you satisfactory results, or in case of a failure a return of purchase price. On this safe plan you can buy from our advertised druggist a bottle of Dr. King's New Discovery for Consumption. It is guaranteed to bring relief in every case, when used for any affection of Throat, Lungs or Chest, such as Consumption, Inflammation of Lungs, Bronchitis, Asthma, Whooping Cough, Croup, etc., etc. It is pleasant and agreeable to taste, perfectly safe, and can always be depended upon. Trial bottles free at A. McMillen's drugstore.

What is a cold in the head? Medical authorities say it is due to uneven clothing of the body, rapid cooling when in perspiration, &c. The important point is, that a cold in the head is an inflammation of the lining membrane of the nose, which, when unchecked, is certain to produce a catarrhal condition—for catarrh is essentially a "cold" which nature is no longer able to "resolve" or throw off. Ely's Cream Balm has proved its superiority and sufferers should resort to it before that common ailment becomes seated and ends in obstinate catarrh.

Demorest's Family Magazine.

Were you ever at sea in a storm—a storm near the coast, when you expected the next wave would dash the good ship to pieces? If you ever passed through such an experience you will remember the relief felt when you realized you were near a life-saving station with its corps of heroes, and you will be glad to know more of the life of those "brave watchers by the sea"; and even the confirmed stay-at-home will be interested in the handsomely illustrated article on "Our Life-Saving Service" in the May number of Demorest's Magazine. "Signs of Character in the Face: How to Read them" (illustrated) will enable you to judge more correctly of human nature. Then there are bright stories, and information on all live topics, with over 200 illustrations. Altogether, this is an exceptionally good number of that always good Family Magazine, published at \$2.00 a year, by W. Jennings Demorest, 15 East 14th St., New York.

Tiddlywink.

An exchange says: The new game "Tiddlywink" is a daisy. Few understand how to play it, but it is very simple when you know how. The game is played with tiddlies, winks and winkpot, dinguses, duffelites, etc. Each player takes a dingus. The winks are divided evenly, and likewise the duffelites. Then you take a wink, put it on the dingus, press a tiddley on the wink and make it jump into the winkpot, if you can. If you succeed you are entitled to a duffelity and for every wink you jump into the dingpot from the duffelity you count a tiddledy, and you keep on operating the tinkwinkle upon the pollywog until the points so carried equal the sum-total of the bogwip multiplied by the puterinkum and added to the contents of the wink pot or words to that effect, and you have then won the game.

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. Noyes, 820 Powers' Block, Rochester, N. Y. 38-ly.
