A Splendid Canadian Journal.

The Dominion Illustrated not only maintains but steadily improves upon the high standard of literary and artistic excellence which has especially marked that splendid Canadian Journal since its enlargement at the beginning of this year to 24 pages weekly. The handsome engravings produced each week are well selected, and in addition to regular contributors to its literary contents, and its pages reflect the best thoughts of clever men and women. Such a journal deserves the gratifying support which it receives at the hands of the public. The enterprising publishers, the Sabiston Litho. & Pub. Co., Montreal, make it their constant aim to improve both the matter and appearance of the journal, and their success is certainly gratifying and creditable.

BANKVILLE BUDGET.

It has rained most every day since the 15th inst., and the ground is thoroughly soaked. E. B. Nelson pulled over to his home, Monday morning, after helping Uncle John Rowland finish his corn planting.

C. F. Elliott was working the assessing job, last week, estimating the worth of the property the farmers have left after the drought of 1890. The prospects for next year's listing of property look more promising at this writing.

W. H. Benjamin was caught out on the prairie about half way home in the storm, Saturday afternoon, and had to take his team from the buggy and hold them by the bridle until the hail passed by. He says some of the hail stones were nearly as large as black walnuts—shucks off.

OBSEVER.

A Safe Investment.

Is one which is guaranteed to bring you satisfactory results or in case of failure a return of purchase price. On this safe plan you can buy from our advertised druggist a bottle of Dr. King's New Discovery for Consumption. It is guaranteed to bring relief in every case, when used for any affection of throat, lungs or chest, such as consumption, inflammation of lungs, bronchitis, asthma, whooping cough, croup, etc. It is pleasant and agreeable to taste, perfectly safe and can always be depended upon. Trial bottles free at McMillen's.

The usual treatment of catarrh is very unsatisfactory, as thousands of despairing patients can testify. A trustworthy medical writer says: "Proper local treatment is positively necessary to success, but most of the remedies in general use by physicians afford but temporary benefit. A course cannot be expected from snuffs, powders, douches and washes." Ely's Cream Balm is a remedy which combines the important requisites of quick action, specific curative power with perfect safety and pleasantness to the patient.

Have faith in your own town. Speak well of its improvements; help along all public enterprises; cheer and encourage the men who invest in it; remember that every forward move helps you individually; shut your ears to the croakers and keep eternally at it and the town will grow rapidly.—Exchange.
