All smokers are interested in securing a good, pure article of the weed when they are looking for a cigar. Purity and excellence are important and count with all who are judges of quality in tobacco. Reizenstein makes his own cigars right here in McCook. He selects none but the best tobaccos and his manufactured product cannot be equalled in the city. He carries a large stock of cigars and tobacco, besides a well selected line of smokers' articles.

THE WESTERN NORMAL COLLEGE at Shenandoah, Iowa, is still the favorite with western schools. The enrollment was over four thousand the past year, and five hundred and fifty-four students graduated from this institution in July of this year. The school is organized for the vast army of poor young men and women all over the west who are anxious to secure an education, and have no money to throw away in useless expenditures. But for the Western Normal College and the advantages it offers to students of this class an education would be impossible to them. If you are thinking of going to school at all this year, before you fully make up your mind, write President Wm. M. Croan. Mention this paper and you will be mailed free announcements concerning the school.

We allow no one to undersell us on flour.

The people of this section will not feel inconsolably slighted if the hail continues to pass us by unmolested.

A fruit stand has been opened out in the room one door south of Lowman's store by John Schiappace of Plattsmouth.

A party of sixteen Indianola friends attended the grand sacred song service in the Congregational church, Sunday night.

R. Q. Stewart of Hastings, the revenue man, was in town yesterday on an urgent and serious matter, so we are informed.

Monday Mr. and Mrs. Fred Jernberg of West McCook were called upon to part with their infant son, who was buried in Longview, Tuesday.

Two special train loads of cattle from Colorado, Chicago-bound, passed through McCook on last Sunday afternoon. There were 38 carloads in the shipment.

The commissioners at their meeting on Wednesday constituted a new precinct, Fritsch, out of the west side of Alliance and the east side of Box Elder precincts.

A demand comes up from all over the county for better roads. Many hundreds of dollars might profitably be spent on the highways of our county right now.

German Lutheran services in the city hall every three weeks at 10 o'clock, A. M., central time, Rev. C. Hubert officiating. The next services will be held on the 16th.

We are in receipt of the 1891-92 announcement of that popular and excellent educational institution "The Franklin Academy," which has just completed its tenth year of usefulness.

There will be Baptist services in the Lutheran church on Sunday morning and evening next by Rev. D. L. McBride, pastor. In the morning at 11 o'clock, central time; at 8:30 in the evening.

This week B. F. Troxel disposed of 160 acres of Red Willow county soil to one of Gage county's best German farmers who will take possession March 1st, 1892. The land is the southeast quarter of 31-3-6.

There will be no service in the M. E. church, next Sunday, except Sunday school which will be held as usual. Rev. P. S. Mather has been granted a vacation and will attend the campmeeting at Cambridge.

The barn, granary and corn crib on B. F. Troxel's farm, (formerly Harvey Pate's,) seven miles southwest of the city, were destroyed by fire, Tuesday, entailing a loss of \$300, which was partially covered by insurance.

The ladies of the M. E. mite society are arranging for an ice cream and cake social to be held in the Morlan building on the evening of Saturday, August 15. The price of admission will be 15 cents for adults; 10 cents for children.

In the quiet of Sunday afternoon Mr. and Mrs. S. E. Hager laid away the remains of their little one in peaceful Longview. The services were conducted by Rev. McBride at the home. The message was brief, but tender and consoling. Many friends and relatives from our city and from Indianola were present.

The friends of J. S. McBrayer will sympathize with him in the death, Tuesday morning, of his invalid son, aged six years, whose young life was made one of pain and weakness, and was finally taken, by that scourge of the human family, consumption. There was a large attendance at the funeral which took place from the residence, Wednesday morning.

A death of unusual sadness was that of Mrs. Jos. Lechleitner, Sunday, at the ranch of Assis. Supt. Harmon on the Upper Willow. Just approaching maternity, she was carried away by a heart trouble, it is stated, in the full bloom of young womanhood, she was but 20 years of age. The funeral occurred on Monday morning. The deceased had many friends and acquaintances in McCook who are profoundly shocked and pained at her untimely and sudden demise, and who sympathize with the bereaved young husband in this hour when the clouds are so dark and lowering.

THE REUNION ASSURED.

It is highly gratifying to THE TRIBUNE to be able to announce that the question of having a reunion in McCook, this fall, has been settled in favor of the affirmative side of the proposition by an almost unanimous vote. The meeting at the city hall, last Friday evening, practically so determined. Supt. Campbell and Mayor Brewer were constituted a soliciting committee and their labors have been crowned with success inasmuch that over \$1,000 in cash have already been pledged to make the reunion a conspicuous success. The executive committee, Messrs. A. Campbell, C. T. Brewer, C. F. Babcock, J. S. LeHew, J. H. Yarger, J. Albert Wells, J. A. Wilcox, H. H. Berry and Dell Laffin, held a meeting on Tuesday evening and canvassed the situation quite thoroughly and have already set the machinery in motion for a first-class affair. The dates have not been definitely fixed, but September 14th to 19th, are the days under consideration and will likely be adopted if nothing important conflicts therewith. The executive committee is authorized to appoint any and all necessary sub-committees and the work will doubtless proceed harmoniously and effectively and rapidly. The committee unanimously determined to hold the reunion on the grounds occupied two years since, a decision which will be almost universally commended as being the most accessible, sightly and convenient possible.

Judge LeHew telegraphed from Lincoln, Wednesday night, that he had interviewed Governor Majors and that he had secured the promise that the state guns and tents would be forwarded as soon as the close of the state encampment at Grand Island.

The executive committee met at the office of H. H. Berry, last evening. Organized by electing C. T. Brewer, President, H. H. Berry, Secretary, Dell Laffin, Treasurer.

Owing to other reunions and county fairs it was decided to change the date of our reunion from the 14-19th to the 21-26th of September. The following committees were appointed:

A NOBLEMAN'S PURCHASE.

On Wednesday morning Buffalo Jones started east with a shipment of six head of buffalo consigned to an English nobleman. This is the final consignment of quite a bunch bought by this lord of the "tight little island" some time since. There were two large and four smaller ones in the lot. Mr. Jones accompanied the buffalo as far east as Chicago, where he stopped to make arrangements for a place to exhibit his herd during the World's Fair. From the port of New York they will proceed to Liverpool in a Curnarder. The herd here will not be diminished by this shipment, as it will at once be reinforced by a similar number from Salt Lake City, Utah.

Mr. Jones informs us that the buffalo are doing remarkably well; are fat and sleek. There is no doubt but that they will form one of the great attractions in Chicago in 1892. Parties from various sections of the country drive out to see them every week, and their fame is being carried throughout the length and breadth of the land, and incidentally McCook, the Pearl of the Republican Valley, is also advertised. By next spring the prospects are that the largest herd of bison in America will nearly reach the 100 mark.

A MERITORIOUS SERVICE.

The Congregational church was not equal to the task of seating those who attended the song service, last Sunday evening,—many were unable to gain admission at all. And it may be said that among the numerous company present there was not one who left the church without feeling that his brightest and fondest anticipations had been fully realized; that the song service was withal one of the most enjoyable, interesting and artistic ever given to a McCook audience.... The singing of the Misses Geselbracht and Andersons of Chicago was particularly artistic and charming, eliciting many expressions of praise and warm.... The male quartette fairly divided the honors of the evening.... The selections by the choir were excellent and were well rendered.... The children's choir came in for their usual proportion of appreciation.... In their duet Mr. and Mrs. Jackson acquitted themselves very creditably.... Mrs. J. C. Birdsell presided at the organ with her accustomed grace and effectiveness.... Rev. Stevenson is to be congratulated upon the merit and success of his first song service.... The floral decorations were exquisite.... The remarks by Revs. Donaldson and McBride were appropriate, well timed and well received. The pastor's remarks were full of fervor and enthusiasm.

ORDINATION AND INSTALLATION.

On Wednesday, August 19th, Rev. W. C. Stevenson will be duly ordained into the ministry and installed as pastor of the Congregational church of our city with appropriate services. The ordination will take place in the afternoon; the installation in the evening. There will be special music for the occasion. The members of the following churches have been invited: Palisade, Trenton, Vailton, Indianola, Cambridge, Holdrege, Red Cloud and Aurora. Pastors expected: Revs. William Woolman, Jacob Flook, H. S. MacAyeal, J. J. Klopp, J. D. Stewart, E. L. Ely. Also ministers as follows: Revs. H. Bross of Lincoln, state supt. Congregational board, and George E. Taylor, Indianola, supt. of the southwest. The occasion will be a notable one for the Congregationalists of the upper valley.

BY TOWNSHIP LINES.

In order to establish a permanency and uniformity in the matter of precincts, the county commissioners will at their meeting on Wednesday next define the various precincts by township lines, making each voting precinct in the county just six miles square. Such action will doubtless settle for all time precinct lines upon a perfectly equitable basis, and will meet with popular approval, as realizing the maximum of good results with the minimum of hardship.
