### A NEW DEPARTURE.

The Colorado Midland is responsible for the most novel, and at the same time the most practical departure of the year's railway arrangements. The new departure comes in the form of a combination ticket, which is good for passage on all the regular trains of the line between Colorado Springs and Woodland Park, and allows the holder to stop at any of the hotels in the justly famous "Ute Pass." The fact is that all the hotels are in the Pass, and the visitor can, therefore, have a fine opportunity to see all there is to be seen in one of the most celebrated parts of the picturesque West. The arrangement is so simple that anyone can understand it at a glance. The tourist buys a ticket at any of the offices of the Sante Fe or Midland roads, for as many days as he expects to be out, paying therefor a fixed amount. This ticket entitles him to the best accommodations at the hotels between the points mentioned, for as long or as short a time as he desires to remain at any one of them. He is then entitled to travel to the next one he wishes to visit, without additional cost, as his ticket is good on the trains as often as he wishes to ride. In this way he has the benefit of the lowest weekly or monthly rate, and can divide his time among the various resorts and pay no more—even less—than if he spent the whole time at a single place. These tickets are made good for a week, or any number of days up to 30 and children are given a reduced rate. It costs a man much less to travel this way than it formerly did, he has no anxiety about his expenses, for they are all paid in advance, and he knows to a dollar what his trip is going to cost him. For families it is a great comfort and convenience, for all bustle and discomfort are done away with. The Midland has put on three extra trains, which now make seven trains each way through the Ute Pass every day. A person can travel through the Ute Pass almost every hour of the day or night, and the guests of the various resorts can pay each other friendly visits without any additional expense. This plan will certainly prove the most popular of any yet introduced, and there is no reason why it should not be a great success. Full information can be obtained from any agent of the Sante Fe system or Colorado Midland road, or by communicating with Chas. S. Lee, General Passenger Agent, Colorado Midland Railway, Denver, Colorado.

### Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. Noyes, 230 Powers' Block, Rochester, N. Y. 38-1y.

### SOUTH SIDE SAUCE.

Geo. Schwerdt leaves, this week, for North Platte. Lawrence Schwerdt returned from the Platte, last Saturday. W. A. Brown of the city visited at C. H. Jacobs, last Friday evening. W. N. Cratty came in from Lincoln on No. 1, last Friday, on a short visit to his family. Henry Burggraf of Holdrege was out on the South Side, last Sunday, to see his best girl. Mr. Hawkins of Denver, Colo., arrived this week. The family will soon start for California, where Mrs. H. expects to enjoy better health. We feel like bringing to the notice of our county commissioners and road overseers the unusual and deplorable condition of our roads at the present time. Now that we are going to have a reunion this fall and a large number of strangers will be here the accumulation of sunflowers along our public highways would be an eternal disgrace to every man in the county. UNO.

### We Caution All Against Them.

The unprecedented success and merit of Ely's Cream Balm—a real cure for catarrh, hay fever and cold in the head—has induced many adventurers to place catarrh medicines bearing some resemblance in appearance, style or name upon the market, in order to trade upon the reputation of Ely's Cream Balm. Don't be deceived. Buy only Ely's Cream Balm. Many in your immediate locality will testify in highest commendation of it. A particle is applied to each nostril; no pain; agreeable to use. Price 50 cents. 6.

To do this the paper has been enlarged to 12 pages every week; new departments added, and every column freshened and brightened by crisp and original ideas. This will be an exceptional fall and winter for newspaper reading. Every man who thinks for himself and wants his boys and girls to do the same, should have the Weekly Journal in his family. Write for a sample. You need only to see the paper to appreciate it. Send 25 cents for a three months' trial subscription. You will then become a regular reader. Eighty-five per cent. of trial subscribers stick. That's a good record. Published at the state capitol the Journal is more in touch with the great masses of the people, and the questions that agitate the hour, than any of its competitors. Don't forget to send for a sample paper. We want you to see one. The paper itself will do the rest. \$1.00 per year. Address, WEEKLY STATE JOURNAL, Lincoln, Neb.
