Is it not about time that two of our local papers called a halt in using pet names. The people are getting tired of Pop Gun Smith and Swagger Jawed Joe, give us a change. Such accusations as they make may be fun for the principals themselves, but they do not go to build up a family paper. And in this connection what good is accomplished by one member of a church or Sunday school, publishing such articles as appeared in one of our papers last week about another number of the same Sunday school. Joe may be a bigger sinner than the writer of that article only because there is more of him. A pharisee may be as bad as a publican sinner. Pull the note out of your own eye brother, and you may not then see so many faults in your brethren.

WARM WEATHER HAS COME AT LAST

The Best Season of the Year to Treat Chronic Catarrh.

Understanding that a great number of people have been cured of chronic catarrh by taking Pe-ru-na during the past cold season, yet it can not be denied that the cold, wet, backward spring has retarded many cures, and in some cases actually prevented a cure. But, after unusual delay, summer has come at last, and now is the time for all catarrh sufferers to begin a systematic course of treatment for this disease. The greatest difficulty in the way of treating chronic catarrh is that the patient is so liable to catch cold during the treatment, and thus delay the cure. This liability at this season of the year is in a great measure removed, and no one should neglect the opportunity to be given treatment.

The proper way to begin treatment for chronic catarrh is to take a tablespoonful of Pe-ru-na before each meal and at bedtime. This dose should be increased so that in one month the patient will be taking two tablespoonfuls at each dose; at which time a report of the case by letter should be made to Dr. Hartman, Columbus, Ohio, and he will advise further.

Every patient should have a copy of The Family Physician No. 2, which is a 32 page pamphlet, giving a complete description of the cause, symptoms and cure of chronic catarrh. Sent free to any address.

GENUINE BARGAINS!

Has the actual difference in the way CLOTHING is put up ever occurred to you? If it has not, a visit to the various places where clothing is sold will convince you that there is a vast difference between "slop-shop hand-me-downs" and clothing (not things) made of good material and nicely put together. Here is where we have always made a strong point

and the fact that we are selling Men's and Boys' Suits and Pants, trimmed, lined and sewed equal to any tailor made suits, at prices as low, and often lower, than the "slop shop" stuff explains in itself why we are doing so large a clothing business. We have put forth an extra effort this spring, and you will find our tables loaded down with the prettiest line of MEN'S, BOYS' AND CHILDREN'S SUITS to be found on this market, and if you are looking for good, honest goods at the lowest prices, we ask you to carefully inspect this department. And in Hats, Shirts, Suspenders, Overalls, Jeans, Pants, Socks, Ties, Night Shirts, etc., we have just what you want and at a price that will meet your views.
