GENUINE BARGAINS!

Has the actual difference in the way CLOTHING is put up ever occurred to you? If it has not, a visit to the various places where clothing is sold will convince you that there is a vast difference between "slop-shop hand-me-downs" and clothing (not things) made of good material and nicely put together. Here is where we have always made a strong point

and the fact that we are selling Men's and Boys' Suits and Pants, trimmed, lined and sewed equal to any tailor made suits, at prices as low, and often lower, than the "slop shop" stuff explains in itself why we are doing so large a clothing business. We have put forth an extra effort this spring, and you will find our tables loaded down with the prettiest line of MEN'S, BOYS' AND CHILDREN'S SUITS to be found on this market, and if you are looking for good, honest goods at the lowest prices, we ask you to carefully inspect this department. And in Hats, Shirts, Suspenders, Overalls, Jeans, Pants, Socks, Ties, Night Shirts, etc., we have just what you want and at a price that will meet your views.
