THE STARS AND STRIPES.

They are Placed Close to the North Pole by the Peary Expedition.

WASHINGTON, Sept. 13.—The stars and stripes have been planted at the two points nearest the North Pole yet reached by civilized man. The navy department to-day received the following telegram from Lieutenant Peary at St. Johns, Newfoundland:

United States navy claims highest discoveries on Greenland east coast. Independence bay 82 degrees north latitude. 34 degrees west longitude; discovered July 4, 1892. Greenland ice cape ends south of Victoria.

The highest point heretofore attained on the east coast is about 75 or 77 degrees and was made by Holdenby, a German; the highest point on the west coast was 83, made by Lockwood and Brainerd of the Greely expedition. Naval officers are delighted at the success of Lieutenant Peary and his telegram was received with much pleasure.

Illinois Catholics in Politics.

CHICAGO, Sept. 13.—At all the Catholic churches in Illinois yesterday the priests read from the altar a long pastoral signed by the archbishop of Chicago and the bishops of Peoria, Belleville and Alton, strongly denouncing the Edwards compulsory education law and calling upon Catholic voters to enforce the demand for its repeal. This is the first authorized utterance of the church in this state on the education matter and is taken to mean that Catholics of Illinois will join the Lutherans as they did in Wisconsin in the fight against state interference in denominational schools.

New Money for the Veterans.

WASHINGTON, Sept. 13.—An order has been issued by Mr. Leech, the director of the mint, to Colonel Bosbyshell, superintendent of the Philadelphia mint, to have coined at once \$100,000 in silver half dollars for use in Washington during the Grand Army encampment. The purpose is to enable the visitors in the city at the time of the Grand Army encampment to exchange their worn out small change and bills.

ST. LOUIS, Mo., Sept. 13.—The national association of postal clerks met here in annual session in the government building to-day. Postmaster Harlow delivered an address of welcome to the delegates and after the appointment of a working committee the convention adjourned until the afternoon.
