INDIANOLA ITEMS.

The fair of 1892 is over.

We were too busy last week to write.

Rev. P. S. Mather has gone to conference.

Commence at once to get ready for the next fair.

The fair was a success, financially and every way.

E. E. Wallace had a fine display of photographs.

Hon. E. Rosewater's speech at the fair was a clincher.

The Educational Class was quite an addition to our fair.

Lathrop has sold his ice cream parlor to a Mr. Peterson.

Sec'y will give orders for premium money next Monday.

Paris Henderson, Gen. Supt. was the man for the occasion.

All bills against the "Fair Society" should be in by Oct. 1.

There was a good display of Red Willow Co. fruit, this year.

Thanks to Culberston, for a large number of speed horses.

The Sec'y will mail orders to those who can't call for them.

Hon. E. M. Woods, our next representative, was at the fair.

Hon. Seth Mobely, world's fair commissioner, was at the fair.

A. G. Dole kindly furnished the windmill used on the fair grounds.

S. H. Haywood and W. H. Lathan of North Valley Precinct did business at the court house Wednesday.

The W. C. T. U. occupied the M. E. Church on last Sunday night, and rendered a fine programme.

G. W. Wirt, has bought Rev. I. N. Clover's farm, south of Bartley; evidently Mr. W. has faith in Red Willow dirt.

Some person passing through town, stole W. H. Powell's dog Tom; a friend of Mr. P. discovered him in Benkelman, and returned him to his owner.

Samuel Ball, J. W. Daniels and A. G. Dole did good work as supts. of classes, also D. W. C. Beck, Ora Clark, Jo Harrison, Mrs. Keyes, Mrs. Eskey and Mrs. Dole.

Rev. P. S. Mather, having sold his farm, north east of town recently, decided not to leave Red Willow county; and has brought the Crocker place north west of our city, and intends fixing it up for a home.

Since our last letter the following marriage licenses have been issued: Ainsworth Monks and Minnie Meyer, of McCook; Samuel E. Callen and Dora E. Beyrer, of McCook; William Stahlhut and Barbara Lock of Frontier Co.; William W. Kite and Lucretia J. Strong, of Bartley.

The Evans house, Hot Springs, S. D., is now open for the reception of guests. This magnificent hotel erected at a cost of \$150,000 is built of pink sand stone, is five stories high, has steam heat, electric lights and all modern conveniences and is so arranged that there are no inside rooms. Its completion places Hot Springs on a par with any similar resort in the country. The Burlington route places at the disposal of the public a sanitarium and health resort second to no other. Low round trip rates to Hot Springs and Deadwood.

The B. & M. have extended their Wyoming division to Regis. The extension reduces the distance to Buffalo to about 48 miles and to Sheridan to about 55 miles, the drive to either point being made in 9 or 10 hours. First class stages from Regis to Sheridan and Buffalo, daily, and from Moorcroft to Sundance making connections with all trains.

West Nebraska Annual Conference M. E. church, Kearney, Sept. 28-Oct. 7. Fare one and a third rate for the round trip. Tickets on sale Sept. 25 to Oct. 7, inclusive.
