**A Card of Thanks.**  
To our friends and brother Oddfellows we desire to express our deepest gratitude for the kindness shown us in our affliction.  
MR. AND MRS. C. H. JACOBS.  
**The School Fair and Entertainment.**  
Which opened in the high school building, last evening, is a tremendous and gratifying success. The building was simply packed upon the opening night with an eager and appreciative audience, which ennobled the various items of the program rendered to the echo. Everybody seemed to be good natured in the crush, and to enjoy the varied entertainment provided in the fullest measure.  
The articles offered for sale were numerous, tasty, artistic and useful, and the sales in this department, during the opening evening, were highly encouraging, delighting the pupils, whose handiwork the articles were in the main.  
The supper was a marvel of culinary art, and it was also presided over and provided by the school children. The many other attractions, however, detracted somewhat from the deserved patronage of this feature, a fact the TRIBUNE hopes may be remedied at the closing tonight.  
Everything so far has passed off charmingly and there is no reason why the closing tonight will not round the affair off in a blaze of glory, financial, literary, culinary and otherwise. Attend tonight.  
Grimes-Critser.  
On Tuesday evening of this week at residence of bride's parents in Valley Grange precinct, Mr. W. P. Grimes and Miss Haddie A. Critser were united in marriage by Rev. W. C. Stevenson of the Congregational church, in the presence of relatives and friends. The groom is an exemplary young farmer; the bride a most estimable young lady, daughter of Dr. L. W. Critser. We wish them a prosperous and happy voyage, which is the sentiment of a large circle of friends in this community.  
Engineer Sharkey's brother left for home, Tuesday afternoon on 6.
